## Memorandum

To: Barbara Lipscomb, City Manager  
From: Mark Holtzman, Chief of Police   
Date: December 8, 2015  
Subject: **Notes-to-Council - Seventh CALEA Re-Accreditation**

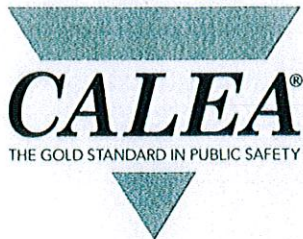

---

On November 21, 2015, the Greenville Police Department was awarded its seventh certification from the Commission on Accreditation for Law Enforcement Agencies (CALEA). In addition to being reaccredited, the police department was recognized as a "Meritorious" participant due to having been accredited for more than 15 years and received the "Gold Standard" rating for this three-year rating. The "Gold Standard" award requires more face-to-face assessment by the CALEA team, both with members of the agency and the community. I am pleased to report that the department was not only awarded the "Gold Standard" but also completed the process with a supplemental rating of "Excellence."

Attached to this memorandum is the letter of notification from CALEA. At a future Council Meeting, it is my desire to formally recognize Mrs. Megan Styron and Lieutenant Susan Bass who were instrumental in the most recent re-accreditation process. Mrs. Megan Styron is the Accreditation Manager, and Lieutenant Bass is assigned to Strategic Services. These individuals worked in tandem to facilitate the on-site review by the CALEA assessors and appeared before the CALEA Commissioners at the panel review in Miami, Florida. These employees are instrumental in maintaining necessary documentation throughout the year, creating policy as required by CALEA, and ensuring the information published on our website is accurate.

Thank you for your support of our efforts in this endeavor.

Congratulations!

On behalf of the Commissioners and staff of CALEA®, we commend you and your agency for demonstrating a commitment to professional excellence in policy and practice. It is a privilege to award your agency CALEA Accreditation, which is accomplished through a highly regarded and broadly recognized body of professional standards. This award represents the culmination of self-evaluation, concluded by a review from independent assessors and CALEA's Commissioners.

CALEA Accreditation also represents acceptance of an ongoing obligation to continue the quest for professional excellence by working toward compliance with all applicable standards and any future standards promulgated by CALEA that may be applicable to your agency.

The CALEA Accreditation award is for three years and the agency is required to maintain continuous compliance during the award period. The chief executive officer will receive a formal award letter within the next ten business days documenting your award date and any other requirements associated with the accreditation award. Additionally, with an active CALEA Accreditation award you may proudly display CALEA corporate or program indices, which may be acquired through CALEA. These indices are the marks of professional excellence and your agency has earned this distinguished honor through compliance with CALEA Standards.

Again, congratulations and thank you for supporting professional public safety through CALEA Accreditation.

Sincerely,

Richard W. Myers  
Chairman

## Memorandum

**To:** Barbara Lipscomb, City Manager  
**From:** Mark Holtzman, Chief of Police   
**Date:** December 7, 2015  
**Subject:** **FOCUSED DETERRENCE STRATEGY**

---

I would like to extend an invitation to you and City Council to attend a "call in" on the Focused Deterrence Strategy at 6 p.m. on Tuesday, January 12, 2016 in the City Council Chambers. The briefing should last no more than one hour.

Focused Deterrence is a crime-reduction strategy that centers around the identification of the most violent and troublesome gang members and repeat offenders in our community. This small number of offenders receives focused attention from law enforcement so that their risk for committing acts of violence is reduced. As an example to others, those offenders who do commit violent acts are punished above and beyond what they have been used to or have seen in the past in the criminal justice system. This will be the City of Greenville's third "call in".

We hope that you will attend this important briefing and look forward to seeing you there.
