FROGGS would like to welcome you to our newest section of the Greenway! The Greenmill Run Greenway is a 3.1 mile stretch that connects Evans Street, Charles Street, ECU’s Intramural Athletic Complex, and Evans Park on Arlington Boulevard. The new section winds through wetlands and includes a beautiful boardwalk and two footbridges. The Greenmill Run Greenway connects to the rest of the Greenway system, which continues all the way to the Town Commons.

Founded in 2004, the Friends of Greenville Greenways (FROGGS) works to promote and elevate the quality of life for all citizens by helping maintain existing greenways, planning expansions, and encouraging local communities and businesses to join in their advocacy for viable, environmentally positive recreation and transportation opportunities.

FROGGS is operated by a board of volunteers who are committed to the FROGGS mission and we’d love for you to join us! For more information, please visit our website at froggs.org or email us at froggsgreenville@gmail.com.

MESSAGE FROM THE DIRECTOR

Once again some GRPD staffers have assembled a multitude of programs, events & services for the benefit of our citizens, and featured them in this seasonal brochure.

Often, our residents obtain a copy of this publication intent on searching for the details of a specific program or service with which they are already acquainted. While that’s certainly appropriate — “repeat customers” are always appreciated! — we’re hopeful that they might also take the time to peruse the entire brochure and consider taking advantage of other services that might be of benefit to them, to a family member, or to a friend.

As always, we’re grateful for the great number of folks who support us in our mission to provide high quality and impactful services to Greenville’s citizens and visitors... individual volunteers, the corporate community, event sponsors, donors, and non-profits.

Such support comes in form of volunteer coaches and instructors, grants, team sponsors, land donations, monetary gifts, bequests, and cash and in-kind contributions from non-profits such as the Jackie Robinson Baseball League, the Friends of the Greenville Greenways (FROGGS), the Greenville Little Leagues, the Pitt County Arts Council, the Greenville Noon Rotary, the Exceptional Community Baseball League, the Support Team for Adaptive Recreation (STARR), the Pitt County Arts Council, Uptown Greenville, the members of our city’s Recreation & Parks Commission, and others.

One particularly impactful gift made in late 2016 came from Trillium Health Resources: a $750,000 donation in support of the development of the accessible playground at Town Common. With additional donations from other groups and individuals, a very special playground was developed that will be serving our youngsters and their families for generations to come. Truly, it’s a gift that keeps on giving, and we should always be grateful for this monumental donation.

Improvements continue at Town Common, and the next big project there will be the Sycamore Hill Gateway Plaza, at First and Greene on the southwestern portion of the park. This striking exhibit will impart the history of the lands occupied by the park, which at one time were the home of the Sycamore Hill Missionary Baptist Church and the neighborhood simply referred to by its residents as “Downtown.” It’s an important story to share, and the gateway project will further improve the appearance of the acreage we think of today as “Greenville’s Central Park.”

In the months to come we’ll hope see you at the soccer field, Arts Center, baseball diamond, tennis court, playground, greenway, Aquatics and Fitness Center, picnic shelter, rec center, Sports Connection, and nature center, as well as at Town Common for PirateFest, Sunday in the Park, the July 4th Festivities, and Zumba in the Park.

Stay active and healthy!

Sincerely,

Gary Fenton, Director of Recreation and Parks

Guppy I at Greenville Aquatics and Fitness Center & Community Pool

Ages: 6 Months–3 Years

This class introduces children and parents to the aquatic environment. The goal of this class is to help parents to be able to keep small children safe in and around water. Babies in diapers must wear rubber pants over their diapers or “Little Swimmer” specialty diapers. Parents/guardians are in the water with child for all class sessions.
