Ownership Status: Frequently Asked Questions Denisha Harris, M-WBE Coordinator – (252) 329-4862

What is ownership status?

Ownership status is a designation used to identify the minority status of the individual(s) or, in the case of corporations, stock holders who <u>own</u> and <u>control</u> a business. Ownership is determined by a margin of **51%**.

Why does the City need this information?

It is the policy of the City of Greenville to provide minorities and women equal opportunity for participating in all aspects of the City's contracting and procurement programs, including but not limited to, construction projects, supplies and materials purchase, and professional and personal service. The City of Greenville is requesting ownership status information to accurately report the participation of minorities in contracting and procurement. Data gathered is for information purposes only and will not affect your business with the City.

Do I have to be certified?

According to NC General Statute 143-128.4, as of July 1, 2009, all firms who wish to do business *as a minority* must be certified by the NC Department of Historically Underutilized Businesses (HUB Office). Federally funded NC Department of Transportation (NCDOT) projects require certification by NC DOT. However, you do not have to be certified simply to do business.

How do I become certified?

If you would like to become certified, visit the NC HUB Office website at http://www.doa.state.nc.us/hub/ or contact M/WBE Coordinator Denisha Harris at 252.328.4862.
