# Item 11

Municipal Agreement with the North Carolina Department of Transportation for 2017 Greenville Americans with Disabilities Act (ADA) Ramp Replacement Project

*Find yourself in good company®*

## Greenville ADA Ramp Replacement Project

- PWD and NCDOT met to discuss funding availability for sidewalks and/or ADA sidewalk ramps
- Funding availability is based City funding 20% of cost for ramps on City-maintained streets.

## **Greenville ADA Ramp Replacement Project**

- Upon approval NCDOT will advertise and bid the project, handle all contract administration, including inspection and testing, and fund the remaining 80% of costs.
- Based on available funding, 335 sidewalk ramps will be upgraded.

# Greenville ADA Ramp Replacement Project

## NCDOT ADA RAMP IMPROVEMENTS

## **Greenville ADA Ramp Replacement Project**

- The municipal agreement furthers the City's program to update existing pedestrian facilities to be compliant with ADA standards.
- All roads that are resurfaced/improved are required to have any existing sidewalk ramps comply with all applicable ADA regulations.

# **Greenville ADA Ramp Replacement Project**

## **Example of Removal and Replacement of Existing Non-Compliant Ramps**

**Arlington Blvd. @ Beasley Drive**

## Greenville ADA Ramp Replacement Project

- NCDOT has estimated the cost of the proposed work to be \$930,000.
- City Share, based on this estimate, will be \$186,000.  
(Savings of approx. \$744k)
- The agreement provides that payment is deferred until the construction is complete
- Source of funding will primarily be Powell Bill funds.

Recommendation: City Council approve the municipal agreement with NCDOT to fund ADA ramp upgrades within the City of Greenville in the amount of \$186,000.
