Subject: Movie in the Park

The City is organizing its first movie in the park event, scheduled for Friday, June 15, at the Town Common.

Screening and licensing vendors have been arranged in order to provide this free event for the community. Planning for pre-movie activities and vendors is under way.

Residents are invited to participate on the movie selection by voting in a social media poll, posted on the City's Twitter and Facebook accounts.

The four choices for June 15 are "The Lego Batman Movie," "Beauty and the Beast," "Minions" and "Wonder." All the films are rated PG.

While the time has yet to be finalized, we are expecting the movie to begin at sunset.
