**CITY OF GREENVILLE, NC**  
**REQUEST FOR PROPOSALS: PRIMARY BANKING SERVICES**

XXXXX XXX, 2018

Ladies and Gentlemen:

Enclosed is a complete copy of the Primary Banking Services Request for Proposals (RFP) of the City of Greenville, North Carolina. Included in the RFP are instructions to participants and a response section which will need to be addressed. Responses to the RFP are due by 12:00 noon on August 15, 2018, to the following address and attention:

City of Greenville, North Carolina  
Attention Mr. Byron Hayes  
200 West Fifth Street  
Greenville, NC 27858

The City intends to award its primary banking services contract on October 8, 2018. The City estimates that full transition of the City's banking services, if necessary, will take place effective January 1, 2019. Six major areas that financial institutions will be evaluated on are as follows: services provided, pricing, evidence of equal opportunity employment, software integration, customer service, and community involvement.

We appreciate your response and anticipate working with you further on this matter. Questions about this RFP should be directed to Mr. Byron Hayes at 252-329-4443 or [bhayes@greenvillenc.gov](mailto:bhayes@greenvillenc.gov).

Sincerely yours,

Byron Hayes, MBA  
Director of Financial Services

**REQUEST FOR PROPOSALS: PRIMARY BANKING SERVICES**

**I. INTRODUCTION**

The City of Greenville invites qualified banking institutions that maintain an office in Greenville, NC and possess the capability and expertise to provide depository and various other banking services for the City. Each institution is to submit a proposal for the provision of those services, according to the requirements that have been set forth in this Request for Proposal (RFP).

The initiation of this RFP process is intended to result in the selection of a financial institution that can provide the City of Greenville, NC with the highest quality and most flexible services at the lowest cost to the taxpayers. The City of Greenville is requesting that each respondent competitively propose the following:

- Service costs by type of service
- Arrangement whereby all daily uninvested cash balances are invested on behalf of the City
- Most equitable method for establishing such investment rates

The contract will be awarded to the institution offering the most appropriate services for the most economical aggregate cost.

The City reserves the right to reject any and all proposals.

There is no expressed or implied obligation for the City of Greenville to reimburse responding banking institutions for any expenses incurred in preparing proposals in response to this request.

**II. NATURE OF SERVICES REQUIRED**

1. This RFP is intended to obtain the best banking services for the City and the public it serves in return for deposit use of the City's funds.
2. This request solicits proposals which will allow all of the City funds to be held in some level of interest-bearing account: savings and time deposits.

  - 4. Average of 25,000 deposited items annually, with 1,000 physical deposits annually.

**CITY OF GREENVILLE, NC**  
**REQUEST FOR PROPOSALS: PRIMARY BANKING SERVICES**

b) Payroll account:

1. Pays all City employees.
2. City maintains bi-weekly payroll cycle with approximately 950 electronic direct deposits. A gross biweekly payroll of approximately \$1.8 million.

c) Return Check account:

1. Handles all checks deposited in General Account that are returned unpaid.
2. Account carries a balance of approximately \$3,000.
3. Account is primarily to allow for the collection of checks without upsetting the balance of the General Account. After collection, these funds are re-deposited in the account.
4. An average of 15 transactions (returned checks and deposits) are made each month.

d) Investment account:

1. Maintains a \$0.00 balance
2. Account is used only for investing via wire transfers/ACH transactions.
3. Approximately 100 transactions are made annually.

e) Flexible Spending Program:

1. Carries an approximate balance of \$100,000
2. Has daily transactions.

f) Sheppard Memorial Library:

1. Carries an approximate balance of \$350,000.
2. Approximately 53 checks are issued annually.
3. Account pays vendors by Electronic Funds Transfer and in-house checks.

**IX. OPERATION OF THE SYSTEM**

1. Daily deposits made to the General Account represent the largest volume deposit of the City as measured by dollars.
2. Periodic wire deposits and disbursements occur primarily as a result of the purchase and maturity of various investments. This account will be an interest bearing account.
3. The City currently has a partnership with Comdata. Comdata is a third party through which the City outsources various payment methods including virtual card, EFT, and printed checks. This requires allowing Comdata to upload data

**CITY OF GREENVILLE, NC**  
**REQUEST FOR PROPOSALS: PRIMARY BANKING SERVICES**

files on the City's behalf.

4. The Greenville Aquatics and Fitness Center (GAFC) completes customer forms that include the customer's name, dollar amount to be drafted, bank name and bank account number. The customer signs the form. At this time, GAFC obtains either a check that has been voided or a deposit slip from the customer and attaches it to the back of the automatic bank drafting form. After the Bank makes the drafts, a report of whom, what amount, etc. is sent, by the bank, to the GAFC.
5. Our computer network systems use magnetic tapes for storage of backup data. Over the next five years, we see the need to store over 300 magnetic tapes in a fireproof, secure environment other than City Hall. Our requirements would be as follows:
  - a) The Bank needs to provide for storage of magnetic tape media equivalent to a fireproof cabinet of the following dimensions: 4' wide X 2' deep X 7' high. If the Bank cannot provide the required cabinet, then it will need to provide adequate space for storage of a cabinet of these dimensions that the City of Greenville can use.
  - b) Daily access by our personnel.
  - c) One-hour response to emergency situations on weekends, holidays, and after normal banking hours.
  - d) The storage area should be free of any equipment or apparatus with a magnetic field that could damage data stored on the magnetic tapes.
  - e) No other company or organization will have access to the City's magnetic tapes.
  - f) The City currently maintains a collective float amount in order to be exempt from bank service charges. If this service is offered, the City would like to discuss the terms with the banking representatives submitting the proposal.

**X. NEW ACCOUNTS AND SERVICES**

1. If the City develops a need for additional accounts during the life of the depository agreement, those new accounts will be provided with the same conditions that apply to existing accounts at the time. If the Federal Reserve, the Depository Institutions' Deregulation Committee or other regulatory bodies provide for the establishment of new accounts or other regulations, which are favorable to the City, the depository agent is expected to provide those new services.

**CITY OF GREENVILLE, NC**  
**REQUEST FOR PROPOSALS: PRIMARY BANKING SERVICES**

2. Should the City of Greenville desire additional services not described herein, the City would be willing to discuss adjustment to the compensating balance required in the non-interest bearing account. Conversely, should the City desire to take on certain responsibilities now assumed by the financial institution, we would expect a corresponding adjustment to the compensating balance required in the non-interest bearing account.
3. The City of Greenville would also welcome any professional services, which the depository agent may be willing to render in the areas of cash management and investment. The City of Greenville is always eager to maximize its investment return and become more efficient in its cash management practices.
4. The City favors the capability for customers to pay for services using credit and debit cards for same day cash collection. We encourage banks to include in the proposal the conditions and explanations of how the Bank would provide this service. The types of payments will include utility payments, recreation services, construction permits, and licensing fees.
5. The City of Greenville is considering establishing a lock box program for certain types of payments. Please include in the proposal the conditions and an explanation of how the Bank would provide this service.

**XI. WIRE TRANSFER SERVICES**

1. The City of Greenville desires the ability to perform the following functions by Internet or by phone access:
  - a) Wire funds
  - b) Making a wire transfer between funds
  - c) Making a wire transfer to other financial institutions
2. Inquiring into all checking accounts

**XII. SELECTION PROCESS**

The Selection Committee will evaluate all proposals, elect banks for interview, and prepare a written recommendation to the City Manager.

The selection process will be based on the responses to the RFP, and each section will be evaluated separately; however, efficient and cost effective integration of these services including software installation, data transmission file setup and other initial one-time implementation fees will also be considered. Each item listed in section

**CITY OF GREENVILLE, NC**  
**REQUEST FOR PROPOSALS: PRIMARY BANKING SERVICES**

XIII will be evaluated and will be an integral part of selecting the optimal banking solutions for the City.

**XIII. EVALUATION**

Each of the items listed below will be evaluated on a scale from 1-5 with five being the highest. The total ranking of these items will be considered with other information contained in the responses received as support for selecting the firm that best meets the needs of the City.

1. Day research and problem resolution
2. Interest bearing accounts
