

Agenda

Greenville City Council

June 11, 2007 6:00 PM City Council Chambers 200 Martin Luther King, Jr. Drive

Assistive listening devices are available upon request for meetings held in the Council Chambers. If an interpreter is needed for deaf or hearing impaired citizens, please call 252-329-4422 (voice) or 252-329-4060 (TDD) no later than two business days prior to the meeting.

- I. Call Meeting To Order
- **II.** Invocation Council Member Dunn
- III. Pledge of Allegiance
- IV. Roll Call
- V. Approval of Agenda
- VI. Special Recognitions
 - Presentation of the George C. Franklin Award by the North Carolina League of Municipalities
 - Youth Council Graduates

VII. Consent Agenda

- 1. Minutes for the April 23, 2007 Joint City Council/Greenville Utilities Commission meeting and the May 7 and May 10, 2007 City Council meetings
- 2. Resolution accepting dedication of rights-of-way and easements for Bedford, Section 9, Phase 2, and a revision to Lots 15 and 16 in Bedford, Section 9, Phase 1
- 3. Resolution authorizing the disposal of surplus computer equipment to Pitt County Schools
- 4. Resolution amending the Personnel Policies to authorize City payment of premiums for dependent health insurance upon the death of a City employee

5. Report on bids awarded

VIII. Old Business

6. Citizens Advisory Commission on Cable Television

IX. New Business

- 7. Presentations by Boards and Commissions
 - a. Planning and Zoning Commission
- 8. Support of nomination for ElectriCities of North Carolina Board of Directors
- 9. Donation of Elm Street Little League Field lights
- 10. Contract award for West Third Street Improvements Project
- 11. Setting of fair market value for City-owned property located at 1411 Martin Luther King Jr., Drive
- 12. Off-leash dog area in Tar River Estates Neighborhood

Public Hearings

- 13. Proposed Fiscal Year 2007-2008 Budgets:
 - a. City of Greenville
 - b. Sheppard Memorial Library
 - c. Greenville-Pitt County Convention & Visitors Authority
 - d. Greenville Utilities Commission
- X. Review of June 14, 2007 City Council agenda
- **XI.** Comments from Mayor and City Council
- XII. City Manager's Report

XIII. Closed Session

• To prevent the disclosure of information that is privileged or confidential pursuant to the law of this State or of the United States, or not considered a public record within the meaning of Chapter 132 of the General Statutes, said law rendering the information as privileged or confidential being the Open Meetings Law

• To establish or to instruct the public body's staff or negotiating agents concerning the position to be taken by or on behalf of the public body in negotiating the price and other material terms of a contract or proposed contract for the acquisition of real property by purchase, option, exchange, or lease

XIV. Adjournment

City of Greenville, North Carolina

Meeting Date: 6/11/2007 Time: 6:00 PM

<u>Title of Item:</u> Minutes for the April 23, 2007 Joint City Council/Greenville Utilities

Commission meeting and the May 7 and May 10, 2007 City Council meetings

Explanation: The attached April 23, May 7, and May 10, 2007 City Council minutes need to

be considered for approval by City Council.

Fiscal Note: None

Recommendation: Approve the April 23, May 7, and May 10, 2007 City Council minutes.

MINUTES PROPOSED FOR ADOPTION BY CITY COUNCIL

April 23, 2007 Greenville, NC

The Greenville City Council and Greenville Utilities Commissioners held a joint meeting on the above date in the Board Room of the Greenville Utilities Commission Building, 401 South Greene Street. The meeting was called to order by Mayor Pro-Tem Mildred A. Council and Chairman Bryant Kittrell. The following were present.

Mayor Pro-Tem Mildred A. Council
Council Member Ray Craft
Council Member Pat Dunn
Council Member Chip Little
Council Member Larry Spell
Chairman Bryant Kittrell
Commissioner Wayne Bowers
Commissioner Lester Brown
Commissioner Lynn Evans
Commissioner Freeman Paylor
Commissioner Faye Taylor
Commissioner Louis Zincone

The following were absent: Mayor Robert D. Parrott; Council Member Rose H. Glover, Commissioner Julia Carlson

APPROVAL OF AGENDA

Motion was made by Mayor Council Member Little and seconded by Council Member Spell to approve the agenda as presented. Motion carried unanimously.

Motion was made by Commissioner Brown and seconded by Commissioner Zincone to approve the agenda as presented. Motion carried unanimously.

CONSIDERATION OF JOINT CITY/GREENVILLE UTILITIES COMMISSION PAY AND BENEFITS COMMITTEE RECOMMENDATIONS FOR FY 2007 – 2008

City Manager Bowers stated that the Joint City/Greenville Utilities Commission Pay and Benefits Committee met on April 9, 2007 and unanimously developed recommendations for FY 2007-2008. The committee members are Council Members Pat Dunn and Rose Glover and Commissioners Faye Taylor and Lester Brown. City Manager Wayne Bowers, Greenville Utilities Commission General Manager Ron Elks, Assistant City Manager Thom Moton, Greenville Utilities Commission Assistant General Manager Tony Cannon, City Human Resources Director Gerry Case, and Greenville Utilities Commission Human Resources Director Patrice Alexander provided staff assistance.

City Manager Bowers pointed out that there are two parts to the recommendations. The first would be to the pay adjustments and the second part would be a change in benefits to the 401(K) Plan.

General Manager Elks reviewed the following recommendations: to adjust the pay plan upward by 3.0% effective June 23, 2007, to adjust salaries for full-time and designated part-time employees upward by 3.0% effective June 23, 2007, and to maintain the 1.5% merit pool. He stated that that one of the goals of the Greenville Utilities Commission and the City pay plan is to evaluate the competitive market pay posture of the joint pay plan on an annual basis. The objective is to maintain an effective pay system for employees that is internally equitable and compatible and is as competitive as possible in relation to the external marketplace. The three major factors that have been considered in making a proposal for a 3% market adjustment and the standard 1.5% allocation for merit funding for FY 2007-2008 were:

- 1. Wage projects and trends for 2007 published by Capital Associated Industries (CAI) show that base pay increases are expected to be 2.8% for nonexempt workers, 3.4% for exempt workers, and 3.4% for executive levels (an average of 3.2%). Other survey sources project somewhat higher trends, ranging from 3.7% to 3.9% as an overall average.
- 2. Despite annual market adjustments, the pay plan for the City and Greenville Utilities Commission remains slightly below the average market due to the cumulative, compounding effect of lower increases for employees in 2001-2003. Market adjustments since 2004 have helped to calibrate the pay plan to market, and a comparable amount is proposed for 2007.
- 3. The Consumer Price Index (CPI) published by the US Department of Labor measures the average price changes over time for specific goods and services purchased by typical consumers and are used as a measure of inflation or economic trends. For the period of February 2006 to February 2007, the CPI was 2.4%. Although the City and Greenville Utilities Commission do not use the CPI as an adjusting factor, as a practical matter, the net buying power of employees has generally been reduced by this amount.

City Manager Bowers stated that in addition to a wage recommendation, the Committee also recommended an increase in the employer contribution to the State 401(K) Plan. Of the 243 municipalities and 59 counties making an employer contribution, most of these contribute a percentage of salary from 1% to 5%. A few make a flat sum contribution. The Committee proposes an increase in the flat sum local contribution to \$40 per biweekly pay period effective the first paycheck in July, 2007 (pay period beginning June 23, 2007). State law required local governments to contribute to the 401(K) plan an amount equal to 5% of paid wages for sworn law enforcement officers effective July 1, 1986. No contribution was required for non-law enforcement employees. The City and Greenville Utilities Commission, however, voluntarily began making 401(K) contributions for full-time and eligible designated part-time employees on January 1, 1997. The contribution was a flat dollar amount of \$10 per biweekly pay period. The amount was increased to \$15 biweekly in January 1998; to \$25 in 1999; to \$30 in 2000, and to \$35 in 2001. There have been no changes since 2001.

Motion was made by Council Member Spell and seconded by Council Member Dunn to adopt the joint committee recommendations and to instruct the City Manager to incorporate these recommendations within the FY 2007 – 2008 proposed budget. Motion carried unanimously.

Motion was made by Commissioner Zincone and seconded by Commissioner Brown to adopt the joint committee recommendations and to instruct the General Manager to incorporate these recommendations within the FY 2007 – 2008 proposed budget. Motion carried unanimously.

City Manager Bowers distributed information on the 529 College Savings Plan which would be an additional benefit to employees through payroll deduction. It is North Carolina's National College Savings Program that makes saving for college possible for all employees. Information about the program is part of the resources offered by College Foundation of North Carolina, a comprehensive and free information service on how to plan, apply, and pay for college.

ADJOURN

There being no further business to discuss, motion was made by Council Member Dunn and seconded by Council Member Spell to adjourn the meeting at 6:15 p.m. Motion carried unanimously.

Motion was made by Commissioner Brown and seconded by Commissioner Zincone to adjourn the meeting at 6:15 p.m. Motion carried unanimously.

Respectfully submitted,

Wanda T. Elks, MMC City Clerk

MINUTES PROPOSED FOR ADOPTION BY CITY COUNCIL

Greenville, NC May 7, 2007

The Greenville City Council met in a regular meeting on the above date at 6:00 PM in the City Council Chambers, third floor of City Hall, with Mayor Robert D. Parrott presiding. The meeting was called to order, followed by the invocation by Pastor Bob Hudak of St. Paul's Episcopal Church and the pledge of allegiance to the flag. The following were present.

Mayor Robert D. Parrott
Mayor Pro-Tem Mildred A. Council
Council Member Ray Craft
Council Member Pat Dunn
Council Member Chip Little
Council Member Larry Spell
Wayne Bowers, City Manager
Wanda T. Elks, City Clerk
David A. Holec, City Attorney

COUNCIL MEMBER ABSENT: Council Member Rose H. Glover

APPROVAL OF AGENDA

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Dunn to approve the agenda as presented. Motion carried unanimously.

CONSENT AGENDA - APPROVED

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Dunn to approve all the items under the consent agenda as listed below. Motion carried unanimously.

- (1) Minutes from the April 9 and 12, 2007 City Council meetings
- (2) Resolution of intent to close a portion of South Washington Street to Dickinson Avenue, a portion of West Sixth Street from South Washington Street to Evans Street, and Dickinson Avenue from South Washington Street to Reade Circle (Resolution No. 07-26)
- (3) Right-of-way encroachment agreement with CCR Properties of Pitt County, LLC, to construct a subdivision entrance sign with landscaping and associated utilities within the right-of-way of Dublin Road (Contract No. 1594)
- (4) Contract award for the Intermodal Transportation Center Facility Programming and Site Selection Study (Contract No. 1595)
- (5) Award of bid for four rear-loading refuse trucks
- (6) Report on bids awarded

PRESENTATION OF PROPOSED FISCAL YEAR 2007-2008 BUDGETS

City of Greenville

City Manager Bowers stated that the upcoming budget is the second-year plan of a two-year budget that was approved by City Council on June 8, 2006. State law requires that a budget ordinance be adopted every year, so next month, the Council will be asked to pass a budget ordinance for FY 2007-08 based on the FY 2007-08 Plan that was approved by City Council on June 8, 2006. Staff has reviewed the Plan for recommended adjustments. As adjusted, the plan will need to be adopted as a budget ordinance. Adjustments were made to departmental budgets when the changes needed exceeded five percent of the department/division budget, if the changes were greater than \$100,000, or if the changes were essential to meet the goals and objectives of the Council. The Financial Plan approved by Council last year was \$67,844,136, and the recommended budget now is \$68,112,782, a difference of \$268,646. The top five projected revenues as a percentage of total revenues include property tax at 37% (\$24,969,638), sales tax at 20% (\$13,888,666), refuse fees at 7% (\$4,733,619), GUC transfers at 7% (\$5,048,302), and utilities franchise at 7% (\$4,566,646). Other revenues (22% of total) are projected to be \$14,905,911. Sales tax revenue is down, with only a 3.5% increase through eight months of this year, which is down from what was expected. Because staff is not expecting to meet the FY 2007-08 projection, it is recommended that the sales tax revenue figure be changed to \$13,888,666, which is a 4% increase over what staff expects to get this year. The North Carolina League of Municipalities is recommending that cities consider 3 to 3.5% for the State portion, so it is expected that revenues will decrease \$758,896 from what was budgeted. It is basically flat. The utilities franchise tax shows a \$478,767 increase, which is on course to be above expectations. Staff had projected \$3.9 million and already has \$4.3 million. The financial plan for next year includes \$4,087,879 for utilities franchise tax revenue, so it is recommended that be increased to \$4,566,646. With the new technology that has been implemented for the receipt of parking ticket revenues, it is recommended that they be increased by \$60,000 to \$185,000 in the FY 2007-08 Financial Plan. Investment earnings are up, with a projected amount of \$1,686,000 and an actual \$1,092,871 through the first three quarters. The Powell Bill allocation is down slightly, with a budgeted amount of \$1,982,094 and the amount to actually be received being \$1,948,928, which is a \$34,000 decrease. Other revenue adjustments to the approved FY 2007-08 Financial Plan include addition of \$80,000 for the Employee Computer Purchase Program, addition of \$25,000 for the West Greenville Intergenerational Center, addition of \$145,000 for the Regional Basketball Tournament, and a reduction of \$47,702 for other revenue adjustments. Staff feels comfortable that the projected five percent increase in the tax base will allow for no change in the property tax rate for FY 2007-08.

City Manager Bowers continued by stating that there will be a recommended change in the refuse fees, as there has been no increase since 2002. The recommended change is from R8 to \$9.60 for curbside service, from \$8 to \$9.60 for a container, and from \$17 to \$20.40 for backyard service. The increase would net an approximate \$783,808 increase, as projected revenues would then be \$4,733,619 instead of \$3,950,000 at the old rate. The cost associated with providing refuse service is \$3,339,584 for personnel, \$643,225 for operating, \$416,810 for CIP, and \$334,000 for overhead, for a total cost of \$4,733,619. Next year staff may recommend that this be an enterprise fund.

After discussion among the Council Members regarding refuse fees and the possibility of garbage collection being an enterprise fund, Council Member Little requested more information detail on the actual costs and revenues for garbage collection.

City Manager Bowers stated that based on the current fees, the FY 2007-08 revenue for the Aquatics and Fitness Center would be \$503,085. If the proposed fee increase is implemented, the revenue would be \$589,763, an increase of \$86,678. The monthly fees are proposed to be increased as follows: family membership from \$37 to \$45, individual membership from \$22 to \$26, young adults fee (age 22 and under) from \$19 to \$23, and senior citizens (age 60 and over) from \$15 to \$19.

City Manager Bowers stated that it is proposed that the personnel costs be increased by \$227,747, from \$44,295,511 to \$44,523,258. Personnel costs include a proposed 401(K) plan employer contribution increase from \$35 to \$40 per pay period and three new positions—Community Development Liaison (\$51,176), Server/Security Analyst and Database Administrator (\$141,224).

City Manager Bowers reviewed the proposed expenditure adjustments from the approved FY 2007-08 Financial Plan as follows:

Department	Purpose	Amount
City Council	Federal lobbying services	\$17,000
	(The Ferguson Group)	
Human Resources	Employee Computer Purchase	\$60,000
	Program	
Fire/Rescue	Supplementary fire services to	\$6,000
	Bradford Creek	
Police	Police Athletic League	\$78,488
	Program	
Financial Services	Anticipated increase in tax	\$40,000
	collection fees	
Public Works	Maintenance and utility costs	\$136,914
	of City facilities (City Hall,	
	Municipal Building, and West	
	Greenville Intergenerational	
	Center)	
	Contingency (Building	-\$222,998
	Inspection Division,	
	Community Development	
	Department, Offset Operating	
	Adjustments)	

City Manager Bowers concluded by discussing other budget considerations, including a staff vehicle (\$16,500) and full-time videographer (\$42,176) for the Public Information Office. Also, the Human Relations Council 2007-2011 Strategic Plan that was presented to City Council on

March 5, 2007 established a Human Relations Office as the No. 1 priority. Included in the Department would be a Director of Human Relations (\$80,849), Human Relations Specialist (\$45,531), and Administrative Secretary (\$26,332), which would result in a net estimated increase of \$135,000. The proposed FY 2007-08 budget ordinances will be on public display beginning May 21. The public hearing will be June 11, 2007, with the anticipated adoption date being June 14, 2007.

Greenville Utilities Commission

General Manager of Greenville Utilities, Ron Elks, presented the goals of the FY 2007-08 Greenville Utilities Commission budget, which are to meet customer needs, to provide reliable utility services at the lowest reasonable cost, to position Greenville Utilities to achieve greater efficiencies, to continue to meet regulatory requirements, to preserve bond ratings, to minimize rate increases, to avoid future rate shock, to ensure financial viability of each fund, to be operationally and financially prepared for emergency situations, and to be prepared for opportunities. He also presented the draft revenues and expenditures sheet for the FY 2007-08 budget that reflected \$234,067,640 in revenues and expenditures (\$168,006,584 in the Electric Fund, \$39,409,466 in the Gas Fund, \$12,645,851 in the Water Fund, and \$14,005,739 in the Sewer Fund). It is estimated that the impact of regulatory compliance on the Water Fund is more than \$1.7 million per year and greater than \$2.8 million on the Sewer Fund. A rate study was recently done, and the consultant recommended an adjustment to rates and base facilities charges as well as a capacity fee. The Board elected to defer discussion on capacity until later in the fall. The Sewer Fund is also infrastructure intensive. There is a request for two new positions, five positions to go from part-time to full-time, one reclassification of the existing position, one reallocation of the existing position, and one two-year temporary allocation. The FY 2007-08 budget highlights include:

- No rate/fee increases in electric, sewer or gas
- Implementation of rate study recommendations to include an overall 10.9% water revenue increase to be effective July 1, 2007
- Recommendations from the Joint Pay and Benefits Committee of a three percent market adjustment, continuation of 1.5% merit pool, and \$5 per pay period increase in 401(K)
- Allowances for two new employees, 10% increase in health insurance, funding for the MWBE Program in conjunction with the City and funding for new initiatives

General Manager Elks stated that there was a reduction in electric rates in January 2007 by 1.5%. A proposed water increase of less than \$3 per residential water customer is being proposed beginning July 1, 2007. The purpose of the increase is to pay for infrastructure. A \$25 million expansion was recently completed on the Water Treatment Plant. The large projects enable the Utilities to enter into long-term contracts which will continue to increase. There is a 22 million gallon per day state-of-the-art water plant that is half loaded each day, enabling the Utilities to help other communities and become more regional in nature. There are currently contracts with Greene County, Bethel, Stokes and (soon to be) Winterville. Those communities have decided to partner with the Utilities to meet their need in the long-term. Greenville Utilities had capacity in place and was able to capitalize on that. It is well positioned for the future. Regulations are

continuing to change over time and are becoming more stringent, meaning that consumers are protected and given the highest quality drinking water.

General Manager Elks stated that Greenville Utilities has the first and only permit issued in North Carolina for the aquifer storage and recovery project. Water is treated during non-peak periods and stored underground ready to drink. They can have 500 million gallons in the ground. Construction of the injection well has been completed, and the Utilities has been applying for grant money to help with the cost. The average daily usage is only 10 million gallons per day, and the peak day is 16 million gallons per day. Peak days only occur 10 to 12 times per year. The rest of the time, the capacity is sitting idle. The Utilities wants to prolong the life expectancy of the plant as long as possible. The real cost in utilities is on the capacity side, not on the commodity side. To build a new plant expansion today would cost between \$3 and \$5 per gallon to build additional capacity. To build elevated storage costs \$1 per gallon. With the aquifer storage and recovery project, 500 million gallons can be stored underground for pennies on the gallon.

General Manager Elks compared typical utility bills as follows:

- Residential electric bill in the winter—Rates of 14 North Carolina providers ranged from \$127.96 in Tarboro for 1000 KWh with load management credits to \$90.49 with NC Power. The rate for Greenville Utilities is \$98.91.
- Residential electric bill in the summer—Rates of 14 North Carolina providers ranged from \$128.40 in Tarboro for 1000 KWh with load management credits to \$101.52 with NC Power. The rate for Greenville Utilities is \$109.48.
- Residential gas bill—Rates of 10 North Carolina providers ranged from \$97.53 in Bessemer City for 50 ccf to \$73.28 in Kings Mountain. The rate for Greenville Utilities is \$90.36.
- Residential water bill—Rates of 28 North Carolina providers ranged from \$46.00 in Bell Arthur to \$17.47 in Rocky Mount for 6,000 gallons. The rate for Greenville Utilities is currently \$19.51, and the proposed rate as of July 1 is \$22.49.
- Residential sewer bill—Rates of 24 North Carolina providers ranged from \$36.88 in High Point for 6000 gallons to \$16.20 in Winston-Salem. The rate for Greenville Utilities is \$24.72.

General Manager Elks stated that Greenville Utilities has become a regional utility, particularly with water. By August of next year, the Utilities will be providing 15 to 20 systems with their needs about 90% of the time. General Manager Elks concluded by responding to questions about how customers can conserve energy.

Sheppard Memorial Library

Mr. Bob Ramey, Chairman of the Sheppard Memorial Library Board, reported that the Library has had substantial growth in all areas and that 400,000 people are expected to visit the Library this year. There has been a tremendous increase in the usage of books and non-books. The usage has doubled at Carver Library and gone up 33% at East Branch. Additional hours have been beneficial. The website continues to improve with 16,000 hits per month, and that is expected to increase in the future. The Friends of the Library group has done a great job,

generating over \$29,000, a new record for the used book sale. The budget was reviewed and approved by the Library Board in March 2007.

Mr. Willie Nelms, Executive Director of Sheppard Memorial Library, stated that the income needed to operate the Bethel and Winterville branches is reflected in the revenues requested from each town and in revenues projected to be collected from the operation of these facilities. Anticipated revenues from State Aid are projected at the level recommended by the State Library. Copier receipts, fines and fees are based on the current year income projection. Miscellaneous income includes expected contributions from the Friends of the Library. For the FY 2007-08 budget, \$1,034,822 is being requested from the City of Greenville and \$517,411 is being requested from Pitt County. The proposed budget provides funds to meet the mandated minimum wage increase. It includes 1.5% for merit and a three percent market adjustment as considered by the City of Greenville last year. Costs include the anticipated impact from inflation and comparisons were made with the previous year actual expenditures. The proposed budget reflects a three percent increase in the cost of periodicals. There are no new personnel positions or new initiatives in FY 2007-08. Projected revenues for FY 2007-08 include:

City of Greenville	\$1,034,822
County of Pitt	517,411
Town of Bethel	24,313
Town of Winterville	118,866
State Aid	202,448
Desk Receipts	100,541
Copier Receipts	4,429
Interest Income	14,329
Miscellaneous Income	69,459
Greenville Housing Authority	9,900
Federal Grants	25,000
Fund Balance	102,495
TOTAL REVENUES	\$2,224,013

Greenville-Pitt County Convention and Visitors Authority

Ms. Debbie Vargas, Executive Director of the Greenville-Pitt County Convention and Visitors Authority, stated that the FY 2007-08 budget (\$765,326) is no different than the FY 2007-08 Financial Plan that was approved by Council in June 2006. Of the \$765,326, \$264,376 is budgeted for marketing the convention center, leaving \$500,950 for operations. She commended the Council for the two-year budget cycle. She reminded the Council that the Authority is funded by receipts and reserves from the hotel/motel tax with no subsidy from the City or Pitt County. The second three cents of the tax goes to retire the debt on the convention center and is not included in this budget. There is a 4.63% increase in the projected occupancy tax this year. The Authority currently is responsible for \$157.4 million in tourism dollars in Pitt County, an \$84 in tax savings for each Pitt County resident. Last year there were 91 groups hosted with a need for 15,298 room nights. Comprehensive services were provided for over 185 groups, and over 6,882 requests for visitor information were fulfilled.

<u>DISCUSSION OF THE RECOMMENDATIONS OF THE CITIZENS ADVISORY</u> COMMISSION ON CABLE TELEVISION

City Manager Bowers reminded the Council that at the April 9 meeting, the Citizens Advisory Commission on Cable Television recommended that the Council discuss its mission and whether the Commission is actually needed. Council Member Spell asked that it be added to the April 12 agenda, at which time it was decided to discuss this tonight.

Council Member Spell stated that the Citizens Advisory Commission on Cable Television has asked for guidance from the Council as to what the Commission should do. If it is decided that the Commission should remain intact, they want to know what its purpose is. If the Council feels that the Commission is no longer needed, then it should be dissolved. The Commission felt that it was important to be an advisory commission for GTV-9, so that they can help how that channel grows and can ensure that citizen input is involved in how the chancel is utilized.

Council Member Craft expressed that the Commission has served its purpose and needs to be abolished. A commission doesn't need to be formed to oversee 2.5 employees. GTV-9 is done within the City Manager's Office, who does a great job of making sure they stay on task. They have demonstrated that they are more than capable of meeting the goals established by the City Manager and City Council.

Council Member Spell stated that it would be helpful to have a group of citizens solely looking at the channel to see how it can be improved and looking into the future to ensure that there is continued improvement and involvement of citizens. Citizens have every opportunity to have input. Public Information Officer Steve Hawley is more than open to input.

Council Member Little stated that the Commission was needed when the City had a role in the television franchise; however, since that has been taken away, it is not needed. The work of the Public Information Office is commendable. When the Council sets priorities and goals, it says what they would like to see.

Mayor Pro-Tem Council stated that with the FCC, it seems that the City may need to stay connected with the Commission and to be there if needed. The people who have worked on it over the years have lobbied and made sure the federal government is doing what it should be doing. She indicated that she would like to know what other cities and towns are doing and that she doesn't want to do away with something the Council worked hard for. The need may increase. At the National League of Cities level, it is something that other cities are monitoring. Before making a decision, the Council needs to see what the national trends are. She wants to make sure that citizens that want to be engaged have that opportunity.

Council Member Dunn questioned whether this is a commission like the Recreation and Parks Commission or the Community Appearance Commission. She asked if it would operate in that same domain, which is for the purpose of making suggestions and advising. She asked if this is an area the Council would make policy about.

City Manager Bowers replied that the Council sets the policy when they grant resources.

Council Member Spell stated that in the discussions of the Citizens Advisory Commission on Cable Television, they were discussing meeting quarterly or semi-annually. Some thought is that the commission could be there to advocate for the channel as things transition from a different Public Information Officer, different City Manager, and different Councils. Council Member Spell asked for Steve Hawley's opinion.

Mr. Steve Hawley, Public Information Officer, stated that he conducted surveys across the state. Only one other community had a similar body, and that body moved into a different direction a couple of years ago. With franchising and regulatory authority going to the state level, it would be nice to get more input from people. The concerned citizens have come to the meeting when there is a quorum and asked staff to give them updates on what is going on. The lobbying that is supposed to be done by this Commission is not done. One member does write letters. What the City has is relatively unique, and most authority, powers and duties are no longer in the City's realm of responsibility.

Mayor Pro-Tem Council asked if it is necessary to stay that way, as the trend is going more toward federal control. Local authority is gone.

Council Member Dunn suggested that there are a couple of issues being addressed. If there is a citizens advisory commission, it will still have to advise within the confines of State and Federal laws. She suggested that the Council wait and see, as it is not the only municipality dealing with this issue.

Mayor Parrott suggested having the Commission disbanded and if there is a need later, one can be created. There was a need for such a Commission in the past, and it did a great job.

Council Member Little stated that according to the minutes, the Commission felt that since it didn't have the authority, it needed to disband or change its focus. It is not needed for the purpose it was set up in the beginning.

Upon being asked what would be needed to dissolve the Commission, City Attorney Holec replied that it would require an ordinance amendment.

Council Member Little asked for a copy of what the charge of the Commission is.

Motion was made by Council Member Spell and seconded by Council Member Little for the City Attorney to provide an ordinance that disbands the Commission and one that incorporates the recommendation from the Commission. Motion carried unanimously.

Mayor Pro-Tem Council asked that staff check to see what is happening nationally on this.

Mr. Hawley stated that this varies from state to state, so it will be good to look at it nationally.

AFFORDABLE HOUSING LOAN TO LANDMARK ASSET SERVICES, INC. – APPROVED

Mr. Carl Rees, Planner, provided information on the development details for the proposed development between Bonners Lane and Martin Luther King, Jr. Drive. Within this area, it is proposed that there will be six two-story buildings with eight units per building with two building types, eight one-bedroom units, 24 two-bedroom units and 16 three bedroom units for a total of 48 units (104 total bedrooms). The units will be energy efficient and will include a refrigerator, dishwasher, garbage disposal, microwave, washer/dryer hook-up, ceiling fans and stove. They will have a common area with equipped playground, laundry, exercise room, computer room, and access to the community building. It will also have convenient access to public transportation, shopping, banking, dining and government services.

Mr. Rees continued by stating that the one bedroom units will contain approximately 750 square feet and will rent for approximately \$390 per month. The two-bedroom units will contain approximately 950 square feet and will rent for approximately \$480 per month. The three-bedroom units will contain approximately 1120 square feet and will rent for approximately \$680 per month. These figures are based on the North Carolina Housing Finance Agency caps for the Pitt County market. Landmark Asset Services, Inc. is requesting a 35-year lease at \$1 per year, which qualifies as a land donation per the North Carolina Housing Finance Agency. The total loan request is \$525,000, which will be repaid over 20 years at two percent, which are the terms set by the North Carolina Housing Finance Agency to qualify for local government subsidy. The recommended loan source is the Bonners Lane Project in the Capital Reserve. Mr. Rees stated that Rex Todd of Landmark Asset Services, was present in the event the Council had any questions.

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Dunn to approve the loan to Landmark Asset Services, Inc. in the amount of \$525,000 over 20 years at 2% interest for the construction of affordable rental housing associated with the Nathaniel Village Tax Credit Development Project. Motion carried unanimously.

RESOLUTION AUTHORIZING THE REDEVELOPMENT COMMISSION OF GREENVILLE TO LEASE CERTAIN REAL PROPERTY TO LANDMARK ASSET SERVICES, INC. – ADOPTED

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Dunn to adopt the resolution authorizing the Redevelopment Commission of Greenville to lease certain real property to Landmark Asset Services, Inc. for \$1 per year over a 35-year term for the purpose of affordable housing. Motion carried unanimously. (Resolution No. 07-27)

LEASE AGREEMENT FOR STORAGE FACILITY LOCATED AT 509 WEST FOURTEENTH STREET – APPROVED

Motion was made by Council Member Little and seconded by Council Member Spell to approve the lease agreement for a storage facility located at 509 West Fourteenth Street and authorize the City Manager to execute on behalf of the City. Motion carried unanimously. (Contract No. 1596)

RESOLUTION REQUESTING TRANSFER OF MAINTENANCE RESPONSIBILITIES FOR PORTIONS OF GREENE STREET, PITT STREET, AND PITT-GREENE CONNECTOR FROM THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION TO THE CITY OF GREENVILLE – ADOPTED

Motion was made by Council Member Craft and seconded by Council Member Spell to adopt the resolution requesting transfer of maintenance responsibilities for portions of Greene Street, Pitt Street, and Pitt-Greene Connector from the North Carolina Department of Transportation to the City of Greenville. Motion carried unanimously. (Resolution No. 07- 28)

REVIEW OF MAY 10, 2007 CITY COUNCIL AGENDA

The Council did a cursory review of the items on the May 10, 2007 City Council Meeting agenda.

City Manager Bowers reported that a valid protest petition had been filed regarding the Theraldine Forbes rezoning and that there had been a request to change the request. The original request was to rezone the property from RA-20 to R6A, and the petitioner had petitioned to change it from RA-20 to RU, which would restrict the property to single-family or duplex use only. This has not been reviewed by the Planning and Zoning Commission, and the protest petition still applies.

City Attorney Holec stated that the Council has the discretion to accept the request to amend and since it is more restrictive, that can be done without readvertising or having it sent back to the Planning and Zoning Commission.

Motion was made by Council Member Craft and seconded by Council Member Spell to amend the rezoning request for the Theraldine Forbes property to be from RA-20 to RU. Motion carried unanimously, and Mr. Harry Hamilton was asked to contact the protest petition petitioners to let them know about the change.

City Manager Bowers informed the Council that the Little Willie Center has asked for a longer lease and that will be considered on May 10. Also, the Town of Grimesland has requested to serve sewer service outside of their service area, and that has been approved by the Greenville Utilities Commission Board. There is an agreement with the City of Greenville, Town of Grimesland and Greenville Utilities Commission that if service is provided outside of Grimesland's extraterritorial jurisdiction, it must be approved by the other parties. The Mayor of Grimesland has asked that this be considered on May 10.

COMMENTS FROM MAYOR AND CITY COUNCIL MEMBERS

Council Member Dunn commended Assistant City Manager Moton for receiving the George C. Franklin Award during the graduation ceremony of the recent Municipal Administration Course. She also stated that for the 18th consecutive year, the City of Greenville received the Tree City USA Award and for the last two years, the City has received the Growth Award.

11

Council Member Spell congratulated Assistant City Manager Moton on winning the award. He thanked those in the City who helped Greenville become a Tree City and to make the funding possible. Council Member Spell thanked Bob Hudak for giving the prayer at tonight's meeting.

Mayor Pro-Tem Council stated that May 9 is Town Hall Day and the Council Members will be going to lobby the General Assembly on behalf of Greenville.

Mayor Pro-Tem Council congratulated the graduates and 4-Hers. She stated that there are opportunities for youth to go to camps on campuses such as NC A&T.

Mayor Parrott stated that he is looking forward to Town Hall Day.

CITY MANAGER'S REPORT

The City Manager had no report to give.

ADJOURN

Motion was made by Council Member Dunn and seconded by Mayor Pro-Tem Council to adjourn the meeting at 8:45 p.m. Motion carried unanimously.

Respectfully submitted,

Wanda T. Elks, MMC City Clerk

MINUTES PROPOSED FOR ADOPTION BY CITY COUNCIL

Greenville, NC May 10, 2007

The Greenville City Council met in a regular meeting on the above date at 7:00 PM in the City Council Chambers, third floor of City Hall, with Mayor Robert D. Parrott presiding. The meeting was called to order, followed by the invocation by Council Member Ray Craft and the pledge of allegiance to the flag. The following were present.

Mayor Robert D. Parrott
Mayor Pro-Tem Mildred A. Council
Council Member Ray Craft
Council Member Pat Dunn
Council Member Rose H. Glover
Council Member Chip Little
Council Member Larry Spell
Wayne Bowers, City Manager
Wanda T. Elks, City Clerk
David A. Holec, City Attorney

APPROVAL OF AGENDA

City Manager Bowers asked that the request to name the Intergenerational Center after Lucille H. Gorham be moved to special recognitions; that the Theraldine Forbes rezoning request be changed to R6S and be carried over to June 14, 2007; that two ordinances regarding the Citizens Advisory Commission on Cable TV be added as Item 30; and that the setting of fair market value for City Owned properties be added as Item 31.

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Spell to amend the Theraldine Forbes rezoning request to R6S and to continue the request to June 14, 2007. Motion carried unanimously.

Motion was made by Council Member Craft and seconded by Council Member Dunn to amend the agenda as recommended by the City Manager. Motion carried unanimously.

SPECIAL RECOGNITIONS

Hightower Hoopsters AAU Basketball Team

City Manager Bowers recognized the 2007 NCAAU Division II State Champions, the Hightower Hoopsters 17U Basketball Team, and certificates were presented by Mayor Parrott. City Manager Bowers stated that the team has been together four years. In 2005, it placed fourth in the state and sixth in the national tournament; in 2006, it placed second in the state and third in the National Classic tournament. On July 26 through August 1, the Hightower Hoopsters will be representing North Carolina in Orlando, Florida for the nationals.

The Carolina Association of Governmental Purchasing (CAGP) Award

Ms. Bernita Demery, Director of Financial Services, announced that the FY 2005-06 Carolina Association of Governmental Purchasing Award was received for the first time. She recognized the Purchasing Division employees, Angelene Brinkley, Wanda House and Willie Moye for their efforts and reported that this is the highest award a purchasing division can earn in the Carolinas.

Naming Of Intergenerational Center As The Lucille W. Gorham Intergenerational Center

Council Member Glover reported that because she was out of town for a family emergency, Mayor Pro-Tem Council interviewed Lucille W. Gorham ("Mama" Gorham), who is everyone's mother. She is the only person who deserves to have the intergenerational center named in her honor. This is a wonderful tribute. The hands releasing the doves in the window of the church are those of Ms. Gorham. Ms. Gorham is a person who loves the community and loves people.

Mayor Pro-Tem Council stated that it was an honor to interview Ms. Gorham, who is a lady ahead of her time. Ms. Gorham embraces all cultures and never stops giving to others. She informed Ms. Gorham that, on behalf of the community, they appreciate her.

Motion was made by Council Member Glover and seconded by Mayor Pro-Tem Council to approve the request to name the Intergenerational Center as the Lucille W. Gorham Intergenerational Center. Motion carried unanimously.

Mrs. Gorham stated that Greenville is the most wonderful place to live. It has taken a lot of courage for the Council to accomplish what it has accomplished. The Mayor is the greatest, as he reaches out beyond the call of duty and takes criticism with a smile. The City has come a long way. It should pull together and be cooperative. She is proud of Greenville and this wonderful Council that is doing great work. She concluded by thanking the Council for allowing the Intergenerational Center to be named in her honor.

APPOINTMENTS TO BOARDS AND COMMISSIONS

Affordable Housing Loan Committee

Council Member Glover asked that the replacement for Gloria Pearsall, who resigned, be continued until June.

Citizens Advisory Commission on Cable Television

Council Member Spell asked that the replacement for Tim Hudson, who resigned, be continued until June.

Community Appearance Commission

Council Member At-Large Dunn asked that the replacement for Edna Atkinson be continued until June.

Historic Preservation Commission

Motion was made by Council Member At-Large Dunn and seconded by Council Member Spell to appoint Dale Sauter for an unexpired term expiring January 2008, replacing Shelva Davis who resigned. Motion carried unanimously.

Housing Authority

Mayor Parrott announced the reappointment of E. Cordell Avery for a second five-year term expiring May 2012 and the continuance of the replacement of Ric Miller until June.

Planning and Zoning Commission

Motion was made by Council Member Craft and seconded by Council Member Little to reappoint Godfrey Bell and Robert Ramey for a first three-year term expiring May 31, 2010 and to reappoint Len Tozer for a second three-year term expiring May 31, 2010. Motion carried unanimously.

ORDINANCE AMENDING SECTION 12-1-9 OF THE CITY CODE RELATING TO FALSE ALARMS - APPROVED

City Attorney Holec stated that at the April 9, 2007 City Council meeting, Police Chief Anderson presented an ordinance amending the City Code provision relating to false alarms. Representatives of the North Carolina Alarm Systems Licensing Board expressed concern about some of the provisions of the ordinance. Council continued the consideration of the ordinance and directed City staff to consider the concerns of the Licensing Board and address the concerns as appropriate in the ordinance. The attorney for the North Carolina Alarm Systems Licensing Board has advised the City of the specific concerns of the Licensing Board, which focused on the provisions of the ordinance which imposed requirements on the alarm systems businesses since the North Carolina General Statutes provide that the regulation of alarm systems businesses is exclusive to the Licensing Board except that a city is permitted to require alarm system businesses to register and supply information concerning their license. The concerns were not with the provisions which required registration of the alarm systems businesses and were not with the provisions relating to permits for alarm users. The ordinance has been modified to address the concerns of the Licensing Board. The modified ordinance continues to achieve the goal sought with the ordinance—reducing the number of false alarms in order to improve the efficiency of public safety resources. Some of the provisions which were removed were provisions which parallel the regulations already imposed by the Licensing Board. An example of this is the requirements that background checks of employees be conducted and that photographic identification badges be provided to employees. Other provisions were determined to not be necessary to achieve the purpose of the ordinance such as requiring that an auxiliary power supply be provided for the alarm. Police Chief Anderson has concurred with the modifications and supports the modified ordinance.

City Attorney Holec referred to information provided by Police Chief Anderson at the April meeting, which stated that responding to false alarms is by far the most common police call for

service. On a national average, about 98% of all alarms reported to the police are not the result of an intrusion or attempted intrusion. In the City of Greenville over the last five years, more than 10% of all police calls for services were false alarms. In 2006, the Greenville Police Department responded to 6,911 false alarms. On average, that translates to about 20 false alarms per day. About 80% were to commercial alarms. Records indicated that 60% were the result of employee error and 40% to equipment failure. The estimated manpower cost alone for responding to false alarms in 2006 is \$62,451. False alarms consumer officer time, waste fuel, increase the risk of traffic accidents, cause wear and tear on equipment, and reduce the quality of police service to areas with a greater need for officer presence. Over time, continual response to false alarms erodes officer caution and directly impacts officer safety. The current city ordinance pertaining to false alarms is virtually unenforceable as written. The proposed ordinance allows the city to address residences and businesses that habitually are the cause of It is designed to encourage alarm users to properly use and maintain the operational effectiveness and proper utilization of alarm systems and to reduce or eliminate false alarms which unduly divert police resources.

Mr. Brad Smith, Chairman of the State Licensing Board, expressed support of the ordinance and thanked the City Council and staff for their time and effort. He stated that nationwide, 98% of the alarms are false, and the number of alarm systems being installed is increasing rapidly. This ordinance will, hopefully, save lives.

Concern was expressed by Council Members Little and Craft about the permitting process, and Mr. Smith stated that he was not aware of an ordinance that did not have a permitting process upfront. This is a balanced ordinance.

After discussion about the permitting, City Manager Bowers stated that the permit gives a positive identification, so the Police Department knows who to hold responsible. It reduces staff time of locating who is responsible.

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Glover to adopt the ordinance as written. Motion carried with a vote of 4:2. Mayor Pro-Tem Council and Council Members Dunn, Glover and Spell voted in favor of the motion. Council Members Craft and Little voted in opposition. (Ordinance No. 07-53)

ORDINANCE REZONING THERALDINE H. FORBES PROPERTY LOCATED NORTH OF FORLINES ROAD, DIRECTLY EAST OF SOUTH CENTRAL HIGH SCHOOL, SOUTH OF SWIFT CREEK SWAMP (GUM SWAMP CANAL), AND WEST OF REEDY BRANCH ROAD, FROM RA20 TO R6A – AMENDED AND CONTINUED TO JUNE 14, 2007

ORDINANCE (REQUESTED BY WARD, LLC) AMENDING FUTURE LAND USE PLAN MAP FOR PROPERTY LOCATED ALONG THE NORTHERN RIGHT-OF-WAY OF THOMAS LANGSTON ROAD, WEST OF COMMERCIAL COMPONENT OF THE REGIONAL FOCUS AREA LOCATED ALONG THE WESTERN RIGHT-OF-WAY OF MEMORIAL DRIVE, SOUTH OF CURRENT TERMINUS OF TOBACCO ROAD, AND EXTENDING NORTH **FROM THOMAS** LANGSTON ROAD. FROM "OFFICE/INSTITUTIONAL/MULTI-FAMILY" CATEGORY TO A "COMMERCIAL" **CATEGORY - ADOPTED**

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 30 and May 7, 2007 setting this time, date and place for a public hearing to consider a request by Ward, LLC to amend the Future Land Use Plan Map for the area described as located along the northern right-of-way of Thomas Langston Road, west of the commercial component of the Regional Focus Area located along the western right-of-way of Memorial Drive, south of the current terminus of Tobacco Road, and extending 2,140± feet north from Thomas Langston Road, containing approximately 26 acres, from an "Office/Institutional/Multifamily" category to a "Commercial" category. The Planning and Zoning Commission, at its April 17, 2007 meeting, voted to approve the request.

Ms. Chantae Gooby, Planner, delineated the property on a map and explained the request.

Mayor Parrott declared the public hearing open and solicited comments from the audience.

Mr. Jim Ward, petitioner, stated that it has been seventeen years since this property was first zoned, and almost five years has passed since work began on the Comprehensive Plan update. In 1990, most of the property on Thomas Langston Road was farmland, and at the time, the Council decided to extend the commercial focus area that was created as a result of the construction of Carolina East Mall to his western property line. They wanted to take a "wait and see" approach to see how Thomas Langston Road would develop. Farming has ceased along that road; the land has been developed or is underdeveloped. Carolina East Mall no longer exists. Mr. Ward stated that he has been able to acquire the property to the west of the property zoned in 1990 and it is critical to the success of the development of this land. He asked that the focus area be extended to incorporate this tract and the 0&I tract. No one in the area is interested in any more multifamily development. The reason the extension is critical is because it would allow for a planned comprehensive development of the area. This tract transitions into Mr. Brody's development. However, if it is left as it is, that area will be developed into fragmented lots, retail strip centers, apartments, etc. Over the past several years he has had numerous opportunities to sell this property for uses that he doesn't think are best served by the development of this property. The cost of continuing to provide the citizens with the services they have become accustomed to continues to escalate. Development of this property as planned would add \$75 to \$100 million to This request received unanimous approval from the Planning and Zoning the tax base. Commission and received no public opposition. The property to the west has been rezoned to create a suitable transition. Mr. Ward concluded by requesting that the Council approve the request as submitted.

There being no further comments, the public hearing was closed.

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Glover to adopt the ordinance amending the Future Land Use Plan Map for the area described as located along the northern right-of-way of Thomas Langston Road, west of the commercial component of the Regional Focus Area located along the western right-of-way of Memorial Drive, south of the current terminus of Tobacco Road, and extending 2,140± feet north from Thomas Langston Road, containing approximately 26 acres, from an "Office/Institutional/Multi-family" category to a "Commercial" category. Motion carried unanimously. (Ordinance No. 07-54)

Council Member Little asked if it would be prudent to have the transition rezoning near this area which was approved last month to be on the Land Use Plan Map, and City Attorney Holec responded that it cannot be done at this meeting; however, if the Council wants to initiate it, it can occur.

ORDINANCE REZONING WARD, LLC PROPERTY LOCATED ALONG THE NORTHERN RIGHT-OF-WAY OF THOMAS LANGSTON ROAD, SOUTH OF THE CURRENT TERMINUS OF TOBACCO ROAD, WEST OF MEMORIAL DRIVE, AND EAST OF PROVIDENCE PLACE SUBDIVISION, FROM RA20 AND OR TO CG - ADOPTED

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 30 and May 7, 2007 setting this time, date and place for a public hearing to consider a request by Ward, LLC to rezone 26.17 acres located along the northern right-of-way of Thomas Langston Road, south of the current terminus of Tobacco Road, 2,120± feet west of Memorial Drive, and east of Providence Place Subdivision, from RA20 and OR to CG. The Planning and Zoning Commission, at its April 17, 2007 meeting, voted to approve the request.

Ms. Chantae Gooby, Planner, delineated the property on a map and explained the request.

Mayor Parrott declared the public hearing open and solicited comments from the audience.

Mr. Jim Ward, petitioner, was present to answer questions.

There being no further comments, the public hearing was closed.

Motion was made by Council Member Little and seconded by Mayor Pro-Tem Council to adopt the ordinance rezoning 26.17 acres located along the northern right-of-way of Thomas Langston Road, south of the current terminus of Tobacco Road, 2,120± feet west of Memorial Drive, and east of Providence Place Subdivision, from RA20 and OR to CG. Motion carried unanimously. (Ordinance No. 07-55)

ORDINANCE REZONING PLACE PROPERTIES PROPERTY LOCATED AT THE NORTHWEST CORNER OF THE INTERSECTION OF NORTH PITT AND WEST FIRST STREETS, FROM OR TO CD - ADOPTED

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 30 and May 7, 2007 setting this time, date and place for a public hearing to consider a request by Place Properties to rezone 1.94± acres located at the northwest corner of the intersection of North Pitt and West First Streets, from OR to CD. The Planning and Zoning Commission, at its April 17, 2007 meeting, voted to approve the request.

Ms. Chantae Gooby, Planner, delineated the property on a map and explained the request.

Mayor Parrott declared the public hearing open and solicited comments from the audience.

Mr. Stan Armstrong of Kittrell and Armstrong, representing the Blount Estate, stated that the Place Properties representative had an emergency and could not be here tonight. Rezoning the property would be good for Greenville.

There being no further comments, the public hearing was closed.

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Craft to adopt the ordinance rezoning 1.94± acres located at the northwest corner of the intersection of North Pitt and West First Streets, from OR to CD. Motion carried unanimously. (Ordinance No. 07-56)

ORDINANCE REQUESTED BY W AND A DEVELOPMENT, LLC TO REZONE PROPERTY LOCATED AT THE TERMINUS OF TAYLOR'S CREEK DRIVE, AND NORTH OF OXFORD COMMERCIAL PARK, FROM GC TO CH - ADOPTED

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 30 and May 7, 2007 setting this time, date and place for a public hearing to consider a request by W and A Development, LLC to rezone 33.7 acres located at the terminus of Taylor's Creek Drive, and north of Oxford Commercial Park, from GC to CH. The Planning and Zoning Commission, at its November 21, 2006 meeting, voted to approve the request.

Ms. Chantae Gooby, Planner, delineated the property on a map and explained the request.

Mayor Parrott declared the public hearing open and solicited comments from the audience.

Mr. Waverly Merritt was present to answer questions.

There being no further comments, the public hearing was closed.

Motion was made by Council Member Craft and seconded by Council Member Glover to adopt the ordinance rezoning 33.7 acres located at the terminus of Taylor's Creek Drive, and north of Oxford Commercial Park, from GC to CH. Motion carried unanimously. (Ordinance No. 07-57)

ORDINANCE ANNEXING W AND A DEVELOPMENT, LLC PROPERTY LOCATED AT THE TERMINUS OF TAYLOR'S CREEK DRIVE, NORTH OF OXFORD COMMERCIAL PARK - ADOPTED

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 30 and May 7, 2007 setting this time, date and place for a public hearing to consider a request by W and A Development, LLC to annex 33.7 acres located at the terminus of Taylor's Creek Drive and north of Oxford Commercial Park. This is a non-contiguous annexation.

Mr. Mike Dail, Planner, delineated the property on a map and stated that the property is located in Voting District 1. The property is currently vacant and the proposed use is 120,000 square feet of commercial buildings on multiple lots. The current population is 0, and the anticipated population at full development is 0.

Mayor Parrott declared the public hearing open and solicited comments from the audience.

Mr. Waverly Merritt was present to answer questions.

There being no further comments, the public hearing was closed.

Motion was made by Council Member Little and seconded by Mayor Pro-Tem Council to adopt the ordinance annexing 33.7 acres located at the terminus of Taylor's Creek Drive and north of Oxford Commercial Park. Motion carried unanimously. (Ordinance No. 07-58)

ORDINANCE TO ANNEX COVENGTON DOWNE SUBDIVISION PROPERTY LOCATED SOUTH OF FIRE TOWER ROAD - ADOPTED

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 30 and May 7, 2007 setting this time, date and place for a public hearing to consider a request by Covengton Downe Subdivision, Phase II, Lot 3C, containing 6.264 acres located south of Fire Tower Road. This is a contiguous annexation.

Mr. Mike Dail, Planner, delineated the property on a map and stated that the property is located in Voting District 5. The property is currently vacant and the proposed use is a 6,000 square feet office building on this property. The remainder of the property contains a regional detention pond. The current population is 0, and the anticipated population at full development is 0.

Mayor Parrott declared the public hearing open and solicited comments from the audience. There being none, the public hearing was closed.

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Glover to adopt the ordinance annexing 6.264 acres located south of Fire Tower Road. Motion carried unanimously. (Ordinance No. 07-59)

ORDINANCE ANNEXING TYSON FARMS PROPERTY LOCATED AT THE EASTERN TERMINUS OF WILLETTE DRIVE AND SOUTH OF DICKINSON AVENUE EXTENSION - ADOPTED

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 30 and May 7, 2007 setting this time, date and place for a public hearing to consider a request by Tyson Farms, Section 3, containing 2.6017 acres located at the eastern terminus of Willette Drive and south of Dickinson Avenue Extension. This is a contiguous annexation.

Mr. Mike Dail, Planner, delineated the property on a map and stated that the property is located in Voting District 2. The property is currently vacant and the proposed use is 10 single family dwellings. The current population is 0, and the anticipated population at full development is 21, with 13 being minority.

Mayor Parrott declared the public hearing open and solicited comments from the audience. There being none, the public hearing was closed.

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Glover to adopt the ordinance annexing 2.6017 acres located at the eastern terminus of Willette Drive and south of Dickinson Avenue Extension. Motion carried unanimously. (Ordinance No. 07-60)

PUBLIC HEARING REGARDING THE ANNEXATION OF THE RIVER HILL AREA LOCATED SOUTH OF THE TAR RIVER, NORTH OF NC HIGHWAY 33, AND WEST OF NCSR 1726

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 30 and May 7, 2007 setting this time, date and place for a public hearing to consider the annexation of the River Hill Area, containing 83.99 acres located south of the Tar River, north of NC Highway 33, and 370 feet west of NCSR 1726. This is a contiguous annexation.

Mr. Mike Dail, Planner, delineated the property on a map and stated that the River Hill area is an urbanized area contiguous to the primary corporate limits. It has been within the City's extraterritorial jurisdiction and subject to its Building and Zoning regulations since 1972. The River Hill area has been on the annexation priority list created by City Council for many years. This area consists of 163 lots on 83.99 acres. There are 154 single-family residences, one commercial business (daycare), 1 private cemetery and 8 vacant lots. In order for a City to involuntarily annex an area, there are certain statutory requirements that have to be met:

- (1) 65% of the area's boundary has to be contiguous to the primary corporate limits of the City. The minimum requirement is 12.5%.
- (2) No part of the area may be within the boundary of another incorporated municipality.
- (3) The area has to be developed for urban purposes, with the standard for the urban area being 2.3 persons per acre. The River Hill Annexation Area has 4.01 persons per acre.

Mr. Dail continued by stating that comparable city-initiated annexation areas include Brook Valley in 1987, Oakhurst Subdivision in 1991, the Treetops Area in 1993, Tuckahoe Subdivision in 1998, Greenville Golf and Country Club in 1998 and Country Squire Estates in 2001. The resolution of consideration for this area was adopted on April 14, 2005, and the resolution of intent was adopted on March 8, 2007. There was a public information meeting on April 25, 2007 and a public hearing on May 10, 2007. Adoption of the annexation ordinance is scheduled for June 14, 2007, and the effective date of the annexation will be June 30, 2008. A sign was posted at the entrance to the River Hill neighborhood; letters were sent to property owners within the annexation area; and advertisements were in The Daily Reflector on April 16 and 23, 2007. The River Hill area is located in Voting District 3, and residents will be eligible to vote in city elections after the effective date of the annexation. New city residents will still be eligible to vote in Pitt County elections. Annexation will not affect one's polling location or school district designation. Major city services that will be provided immediately upon the effective date of the annexation include Fire/Rescue, Police and Public Works (sanitation and street maintenance). The Fire/Rescue Department has 143 career employees that work 24 hour shifts. The department is operational 24 hours a day, 365 days a year. Emergency paramedic, emergency firefighting, and fire investigation services are provided by the Greenville Fire/Rescue Department. Station 6, which is approximately 1.2 mile away, will serve the River Hill area. If needed, there will be

a contract with the Eastern Pines Fire/Rescue Department. The City of Greenville has a nationally accredited Police Department with 171 sworn positions and 40 non-sworn positions. The department is operational 24 hours a day, 365 days a year. The Public Works Department provides weekly trash pickup, weekly recyclable pickup, weekly yard and bulky trash pickup, and weekly leaf removal from November 1 to March 31. The Street Maintenance Division maintains publicly dedicated streets including providing pothole repair, street sweeping, street lighting, and resurfacing as required. The City provides nuisance abatement in the areas of weeded lots, junked and abandoned vehicles, parking on unimproved surfaces, trash and debris, and overgrown lots. Greenville Utilities Commission intends to maintain the sanitary sewer system that is currently in place. The extension of sanitary sewer service to lots fronting along NC Highway 33 must be completed within two years of the effective date. Eastern Pines Water Corporation will continue to be the water service provider, and any necessary water system improvements will be completed within two years of the effective date. The cost to City residents will be City property taxes at \$.56 per one hundred dollar of assessed value; City vehicle taxes in the amount of \$20 per motor vehicle; refuse fees (\$17 a month for backyard collection; \$8 a month for curbside collection plus the purchase of a city-approved container); stormwater utility fees in the amount of \$2.85 per month per 2000 square foot of impervious area including buildings, driveways and parking areas; and privilege license fees which are required for operating a business within the City of Greenville. The privilege license fees are based on the type of business and must be renewed annually. With an effective date of June 30, 2008, tax bills for FY 2008/09 will be billed in late July. City taxes will be included in the Pitt County tax bill that the residents currently receive. Mr. Dail concluded by stating that a copy of the River Hill Area Annexation Report is on file for review in the City Clerk's Office, along with a map of the area and list of property owners.

Mayor Parrott declared the public hearing open and solicited comments from the audience.

Mr. Don Williams spoke in favor of the annexation, expressing that he hoped the City would provide a park adjacent to the subdivision. Annexation will mean that they will be taxpayers in the full sense and not just by paying sales tax. He hasn't spoken to anyone who is seriously opposed to the annexation. Mr. Williams concluded by stating that he looks forward to being a taxpaying resident of the City and hopes that the City will consider people from the subdivision to serve on the various boards and commissions after it is annexed.

Ms. Donna Ashley stated that there were only 50 houses when she moved into the subdivision, and the neighborhood had block parties once a year. Highway 33 was then two lanes and now it is five. She asked the City Council for help with the problem of flooding and erosion that currently exists in the area.

Ms. Maggie Capin of 405 Riverhills stated that she agrees with Ms. Ashley. She is in favor of the annexation and the park. This is a wonderful area in which to live. Ms. Capin concluded by asking the Council to address the needs that Ms. Ashley spoke about.

Mr. Frank Wyking, a resident, agreed with comments that were previously made. There are some issues on Riverhill Road. He deliberately moved to River Hill because it was not a part of Greenville. He does not see where being a part of Greenville will provide any benefit. He

doesn't see where the additional taxes would provide him with any more than he is paying in County taxes.

There being no further comments, the public hearing was closed.

ORDINANCE DESIGNATING THE CHARLES O'HAGAN HORNE, SR. HOUSE AND GROUNDS AS A LOCAL LANDMARK - ADOPTED

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 30 and May 7, 2007 setting this time, date and place for a public hearing to consider an ordinance to designate the Charles O'Hagan Horne, Sr. House and Grounds as a local landmark. The Historic Preservation Commission, at its February 27, 2007 meeting, voted to approve the request.

Mr. Carl Rees, Planner, stated that Charles O'Hagan Horne, Sr. grew up in Greenville and attended city schools. He graduated from the UNC School of Pharmacy and ran a successful drug store near the courthouse. He was an active parishioner at St. Paul's Episcopal Church and was the first Chairman of the Pitt County Alcoholic Beverage Control Board. In 1916, he built a two-story colonial revival and craftsman house at the intersection of Fourth and Contentnea Streets (706 W. Fourth Street). The property is heavily landscaped; has a large, gracious Colonial Revival porch; and has a front door that is flanked by sidelights with a transom. The interior of the house is ideal for entertaining, with an open circulation plan anchored by greeting area and parlor and with French doors linking the hall, dining room, parlor and study. The quaint tree-lined suburbs of the New South were havens for family life, neighborliness and community. Charles and Rena Horne raised three children in the house, and it was sold in 1968. In 1990, J. B. and Francine Taft moved into the Horne House. In 2005, Skinnerville-Greenville Heights was designated a National Register Historic District. Skinnerville showed signs of reinvestment as new residents moved into the district and fixed up the historic homes. It is important to designate the Horne House as a local landmark to preserve and promote a key individual historic property, celebrate West Greenville's architectural and cultural heritage, and so that ongoing community-based reinvestment initiatives can capitalize on those architectural and heritage assets. In February 2007, the recommendation of the Historic Preservation Commission was to designate the Charles O'Hagan Horne, Sr. House and Grounds located at 706 W. Fourth Street as a Local Landmark. Mr. Taft could not be present because of prior commitments.

Mayor Parrott declared the public hearing open and solicited comments from the audience. There being none, the public hearing was closed.

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Dunn to adopt the ordinance designating the Charles O' Hagan Horne, Sr. House and Grounds as a Local Landmark as recommended by the Historic Preservation Commission. Motion carried unanimously. (Ordinance No. 07-61)

RESOLUTION CLOSING A PORTION OF CHIPPENDAIL ROAD EAST OF WEST QUAIL HOLLOW ROAD - ADOPTED

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 16, 23 and 30 and May 7, 2007 setting this time, date and place for a public hearing to consider a resolution to close a portion of Chippendail Road east of West Quail Hollow Road.

Mr. David Brown, City Engineer, explained the request and stated that appropriate notice has been given. The resolution declaring the intent to close a portion of Chippendail Road east of West Quail Hollow Road was adopted on April 9, 2007.

Mayor Parrott declared the public hearing open and solicited comments from the audience. There being none, the public hearing was closed.

Motion was made by Council Member Dunn and seconded by Council Member Craft to adopt the resolution ordering the closure of the portion of Chippendail Road east of West Quail Hollow Road. Motion carried unanimously. (Resolution No. 07-29)

RESOLUTION CLOSING A PORTION OF SOUTH WATAUGA AVENUE LOCATED SOUTH OF BROAD STREET – ADOPTED.

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 16, 23, and 30 and May 7, 2007 setting this time, date and place for a public hearing to consider a resolution to close a portion of South Watauga Avenue located south of Broad Street.

Mr. David Brown, City Engineer, explained the request and stated that appropriate notice has been given. The resolution declaring the intent to close a portion of South Watauga Avenue located south of Broad Street was adopted on April 9, 2007. The request was made by David Evans, who is in the process of obtaining the Keel Warehouse site.

Mayor Parrott declared the public hearing open and solicited comments from the audience.

Mr. Jim Walker was present to answer questions.

There being no further comments, the public hearing was closed.

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Craft to adopt the resolution ordering the closure of the portion of South Watauga Avenue located south of Broad Street. Motion carried unanimously. (Resolution No. 07-30)

RESOLUTION ENDORSING COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) AND HOME INVESTMENT PARTNERSHIP FISCAL YEAR 2007-2008 ANNUAL ACTION PLAN - ADOPTED

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 30 and May 7, 2007 setting this time, date and place for a public hearing to consider a resolution endorsing the Community Development Block Grant (CDBG) and HOME Investment Partnership Fiscal Year 2007-2008 Annual Action Plan

Mrs. Sandra Anderson, Planner, stated that the Action Plan is a requirement of the Department of Housing and Urban Development as a condition of receiving funding under certain federal programs. The goal of the plan is to extend and strengthen partnerships between the public and private sectors to provide decent housing, establish and maintain a suitable living environment, and expand economic opportunities. The Action Plan is a detailed account of activities to be carried out as well as the funding allocated for each activity. The Plan preparation requires two public hearings to give citizens an opportunity to participate and provide comments. The first public hearing was held on February 8, 2007, and tonight is the final public hearing. All comments received will be included in the final draft of the Action Plan. The US Department of Housing and Urban Development has awarded an \$822,811 CDBG grant and an \$837,860 HOME Investment Partnership Grant to the City of Greenville for FY 2007-08.

Mayor Parrott declared the public hearing open and solicited comments from the audience. There being none, the public hearing was closed.

Motion was made by Council Member Craft and seconded by Council Member Glover to adopt the resolution authorizing submission of the Annual Action Plan to the U.S. Department of Housing and Urban Development. Motion carried unanimously. (Resolution No. 07-31)

RESOLUTIONS AUTHORIZING THE FILING OF TWO GRANT APPLICATIONS FOR FEDERAL TRANSPORTATION ASSISTANCE ON BEHALF OF THE GREENVILLE AREA TRANSIT (GREAT) SYSTEM - ADOPTED

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 30 and May 7, 2007 setting this time, date and place for a public hearing to consider resolutions authorizing the filing of two grant applications for federal transportation assistance on behalf of the Greenville Area Transit (GREAT) System.

Ms. Nancy Harrington, Transit Manager, presented to the Council grant applications for federal funds designated for the City of Greenville to assist GREAT with routine capital and operating expenses and the purchase of two expansion buses in FY 2007-08, along with resolutions authorizing the filing of the grant applications. The first grant is for Section 5307 funds which are available to urban areas with populations between 50,000 and 200,000 to assist with small capital and operating expenses associated with smaller transit systems. The grant funds are used to reimburse the City for one half the operating deficit and 80% of routine capital expenditures. Staff is requesting the total federal amount allocated for Greenville, which is \$963,326. The City's' match for this grant is \$195,028, which is in included in the FY 2007-08 budget. The second grant is for Section 5309 funds, which are used for larger capital expenses associated

with expansion of services. This application is for \$498,000 federal dollars to purchase two expansion buses. These new buses will be used to provide additional services through expansion of routes and service frequencies. These funds are matched with a 10% state match of \$62,250 and a 10% local (City) match of \$62,250. Should both grants be approved, the City will receive \$1,461,326 in Federal funds and \$62,250 in State funds, subject to a total City match of \$257,278. The City's local match is included in the FY 2007-08 financial plan.

Mayor Parrott declared the public hearing open and solicited comments from the audience. There being none, the public hearing was closed.

Motion was made by Council Member Dunn and seconded by Council Member Spell to adopt the resolutions authorizing the City to file the grant applications. Motion carried unanimously. (Resolution Nos. 07-32 and 07-33)

ORDINANCE AMENDING AGREEMENT WITH TOWN OF WINTERVILLE AND GREENVILLE UTILITIES COMMISSION ESTABLISHING A MUTUAL ANNEXATION AND EXTRATERRITORIAL JURISDICTION BOUNDARY AND DELINEATING SEWER AND WATER SERVICE TERRITORIES - ADOPTED

City Manager Wayne Bowers reported that a notice of public hearing was published in <u>The Daily Reflector</u> on April 30 and May 7, 2007 setting this time, date and place for a public hearing to consider an ordinance amending the agreement with the Town of Winterville and Greenville Utilities Commission establishing a mutual annexation and extraterritorial jurisdiction boundary and delineating sewer and water service territories.

City Manager Bowers stated that on December 11, 2006, the Town of Winterville, City of Greenville, and Greenville Utilities Commission entered into an agreement establishing a mutual annexation and extraterritorial jurisdiction boundary and delineating sewer and water service territories. Although the entire main campus of Pitt Community College is located in the Town of Winterville, Pitt Community College has, in recent years, acquired property located in Greenville's extraterritorial jurisdiction and on the Greenville side of the boundary established in the joint agreement. Winterville has requested that the joint agreement be amended to allow that if any of the recently acquired Pitt Community College property is developed as part of the college, that the property could be annexed into Winterville in order to keep the entire campus in one jurisdiction. The Winterville request was discussed at the Winterville, Greenville, and Greenville Utilities Commission Committee meeting on April 12, 2007. The committee recommended that the amendment be made to the joint agreement to allow annexation of Pitt Community College property into Winterville at the time of development for college activities. If the property is not developed by Pitt Community College, it will remain in the Greenville extraterritorial jurisdiction and be subject to annexation into the City of Greenville. amendment will have no impact on the water and sewer service provisions of the agreement. Greenville Utilities Commission has approved the amendment, and Winterville is scheduled to take action at its next meeting. A public hearing is required.

Mayor Parrott declared the public hearing open and solicited comments from the audience. There being none, the public hearing was closed.

Motion was made by Council Member Spell and seconded by Council Member Dunn to adopt the ordinance approving the amendment to the agreement. Motion carried unanimously. (Ordinance No. 07-62)

PUBLIC COMMENT PERIOD

Nobody was present to speak during the public comment period.

RESOLUTION IN SUPPORT OF EASTERN NORTH CAROLINA REGIONAL SCIENCE CENTER - ADOPTED

Dr. John Meredith stated that a group of individuals have been working for years to develop a regional science center, and the group has recently changed its name to GO-Science. The project they would like to get for Greenville is the Challenger Learning Center, and Greenville is the only city approved for it. Approval was obtained last year, and this is an incredible opportunity. There are five other cities in line for the center. The equipment is in storage at a technology incubator. This is part of the State's cultural enhancement and adds to Greenville's future as a community. A video was shown that explained the concept to the Council. Dr. Meredith concluded his presentation by stating that the City can help by endorsing the concept, challenging the GO-Science Board (a 501(c)(3)), providing financial support, giving of themselves and giving to their future, and partnering with the group on the development of the only Challenger Learning Center in North Carolina. There is a target date of September 2008, which was the date given by Challenger, Inc.

Mayor Parrott stated that the Council needs to do everything it can to try to make this happen.

Motion was made by Council Member Craft and seconded by Mayor Pro-Tem Council to adopt the resolution in support of the Eastern North Carolina Regional Science Center. Motion carried unanimously. (Resolution No. 07-34)

AGREEMENT WITH THE LITTLE WILLIE CENTER TO LEASE PORTIONS OF THE INTERGENERATIONAL CENTER – APPROVED

City Manager Bowers stated that at the April 12, 2007 City Council meeting, a lease agreement was approved to lease the playground, rectory and annex buildings of the Intergenerational Center to the Little Willie Center. The terms of the approval were to provide the named buildings and playground area to the Little Willie Center for a three-year term at a cost of \$1 per year. The Little Willie Center would provide afterschool care and other services to the youth of West Greenville. A request was made by representatives of the Little Willie Center to amend a number of terms of the proposed lease related to the relocation of all of the programs from 807 Martin Luther King, Jr. Drive to the Intergenerational Center and the three-year lease term. The Little Willie Center requested that the document be amended to allow the organization to continue administrative operations at the 807 Martin Luther King, Jr. Drive location and to include a renewal option with the lease. The proposed lease as modified provides for the removal of the chain link fence from the front yard and the removal of all outdoor play equipment and picnic tables at 807 Martin Luther King, Jr. Drive (the current location of the

Little Willie Center) and provides a two-year renewal option. All other provisions identified in the first agreement are the same.

Motion was made by Council Member Craft and seconded by Mayor Pro-Tem Council to approve the revised lease agreement and authorize the City Manager to sign the lease agreement with The Little Willie Center. Motion carried unanimously. (Contract No. 1595)

REDEVELOPMENT COMMISSION OF GREENVILLE 2007-2008 ANNUAL PROGRAM OF WORK – APPROVED

Mr. Carl Rees, Planner, stated that each year the Redevelopment Commission prepares and adopts an Annual Work Plan, which serves as a guide for the work of City staff and contractors working on behalf of the Commission. The Annual Work Plan also serves as the basis for the Commission's budget development process, which will be presented to City Council in June. This 2007-2008 Annual Work Plan was adopted by the Redevelopment Commission at its April regular meeting. The ongoing Community Development Block Grant activities are incorporated by reference in this work plan. The key work plan items for FY 2007-08 include a small business incubator, revitalization of historic structures, center city wayfinding, streetscape pilot projects, a business retention program, small business loan pool, a restaurant start-up initiative, residential and mixed use projects, an open air market and a civic art initiative. The streetscape project timeline runs from 2007 to 2012. In January 2007, the Streetscape Master Plan was In December 2007, the Wayfinding Project is scheduled to be completed with \$300,000 in bond funds. In January 2008, the Cotanche/Reade Street and Martin Luther King, Jr. Drive Gateway Projects are scheduled to be completed with \$200,000 in bond funds. By December 2008, the Martin Luther King, Jr. Drive Gateway and Cotanche/Reade Streets construction is scheduled to be completed with \$1,650,000 in bond funds. By December 2008, the Martin Luther King, Jr. Drive Project and Nash to Albemarle Streets designs are scheduled to be completed with \$350,000 in Federal EDI funds, CIP funds and funds from the General Fund. The construction of the Martin Luther King Jr. Drive Project from Nash Street to Albemarle Avenue is scheduled to be completed by December 2010 with \$2,700,000 in Federal Surface Transportation Act Funds. In January 2011, the design of the Evans Street Project is scheduled to be complete with \$180,000 in CIP and General Fund monies. The pilot projects will include the Martin Luther King, Jr. Drive Gateway, Cotanche and Reade Streets, and a Center City The Civic Art Program will provide monumental and signature Wayfinding System. opportunities. The economic benefits of a West Greenville Small Business Incubator will be that an incubator creates jobs, revitalizes neighborhoods and commercializes new technologies; generates "spin off" jobs in the community/region; reduces the rate of small business failures; enhances local tax revenue; and 84% of incubator graduates stay in their communities.

Motion was made by Council Member Dunn and seconded by Mayor Pro-Tem Council to approve the 2007-2008 Annual Program of Work for the Redevelopment Commission of Greenville. Motion carried unanimously.

RESOLUTION ADOPTING RESIDENTIAL ANTI-DISPLACEMENT AND RELOCATION ASSISTANCE PLAN - ADOPTED

Mrs. Sandra Anderson, Planner, stated that Section 104(d) of the Housing and Community Development Act of 1974, as amended, and implementing regulations require that each recipient of Community Development Block Grant funds adopt, make public, and certify that it is following a residential anti-displacement and relocation assistance plan. This plan certifies that the City will replace all occupied and vacant occupiable low to moderate income dwelling units that are demolished or converted to use other than low to moderate-income housing as a direct result of activities assisted with funds provided under the Housing and Community Development Act of 1974 within three years of the demolition or rehabilitation relating to conversion. The plan also outlines the City's commitment to persons who are displaced as a result of CDBG and HOME activities. In addition, the City is required to submit a copy of its Residential Anti-Displacement and Relocation Assistance Plan with this year's Annual Action Plan as an attachment. The Annual Action Plan includes acquisition, demolition, and relocation activities for the West Greenville 45-Block Revitalization Area; therefore, the plan must be updated. The plan was last updated on April 11, 1991.

Motion was made by Council Member Craft and seconded by Council Member Spell to adopt the resolution and authorize the Mayor to sign the Residential Anti-Displacement Relocation Assistance Plan resolution for submission with the 2007-2008 Annual Action Plan to the U.S. Department of Housing and Urban Development. Motion carried unanimously. (Resolution No. 07-35)

<u>AFFORDABLE HOUSING BID SUBMITTAL AND DEPOSIT WAIVER POLICY – APPROVED</u>

Mrs. Sandra Anderson, Planner, stated that as part of the ongoing West Greenville 45-Block Revitalization Program, the Community Development Department's Housing Division has acquired several properties for affordable homeownership activities. The properties were demolished and replaced with new single-family units or gutted and substantially rehabilitated for single-family units. The properties are now ready for disposition to low and moderateincome individuals or families. As allowed by North Carolina General Statute 160A-269, for City-owned property, a City may receive, solicit, or negotiate an offer to purchase property and advertise it for upset bids. When an offer is made and Council proposes to accept it, a five percent bid deposit is required. In many instances, low to moderate-income residents do not have the resources available to place a five percent bid deposit. Therefore, the policy outlines the proposed method of disposal of City property acquired and improved for homeownership opportunities for low to moderate-income individuals and families and a bid deposit waiver policy. The proposed policy establishes a process whereby bids would be obtained through a formal open and competitive process. In the event that a waiver is requested, the Affordable Housing Loan Committee would be authorized to approve the requested waiver. Upon approval of the bid waiver or five percent deposit, the offer would be submitted to the City Council for final action. The Affordable Housing Loan Committee reviewed and approved the policy at their April 11, 2007 meeting.

Motion was made by Council Member Craft and seconded by Mayor Pro-Tem Council to approve the Affordable Housing Bid Submittal and Deposit Waiver Policy. Motion carried unanimously.

REQUEST TO PROVIDE WASTEWATER SERVICE OUTSIDE THE EXTRATERRITORIAL JURISDICTION OF THE TOWN OF GRIMESLAND - APPROVED

City Manager Bowers stated that the City of Greenville, Town of Grimesland and Greenville Utilities Commission entered into an interlocal agreement in 1996 allowing the Town of Grimesland to transport wastewater to the Greenville Utilities Commission Wastewater Treatment Plant. The interlocal agreement requires that any request for wastewater service outside the extraterritorial jurisdiction of Grimesland must be approved by Greenville Utilities and the City of Greenville. The Town of Grimesland requests that the City of Greenville approve the provision of sewer service to property outside the Grimesland extraterritorial jurisdiction located on the north side of Highway 33 between Grimesland and Simpson. The Greenville Utilities Commission Board approved the request on April 7, 2007.

Grimesland Mayor Gerald Whitley requested the approval of the additional services. Grimesland, for the first time in its history, annexed a tract of land into the City this week. This will allow the town to grow.

Motion was made by Council Member Spell and seconded by Mayor Pro-Tem Council to approve the request to provide wastewater service outside the extraterritorial jurisdiction of the Town of Grimesland. Motion carried unanimously.

ELECTRIC CAPITAL PROJECTS BUDGET ORDINANCE AND REIMBURSEMENT RESOLUTION FOR GREENVILLE UTILITIES COMMISSION'S DICKINSON AVENUE ELECTRIC TRANSMISSION LINE – ADOPT

Motion was made by Council Member Craft and seconded by Council Member Spell to adopt the Electric Capital Projects Budget Ordinance. Motion carried unanimously. (Ordinance No. 07-63)

Motion was made by Council Member Craft and seconded by Council Member Spell to adopt the reimbursement resolution allowing GUC to reimburse itself from future debt financing. Motion carried unanimously. (Resolution No. 07-36)

WATER CAPITAL PROJECTS BUDGET ORDINANCE AND REIMBURSEMENT RESOLUTION FOR GREENVILLE UTILITIES COMMISSION'S FROG LEVEL ROAD WATER MAIN EXTENSION - ADOPTED

Motion was made by Council Member Craft and seconded by Council Member Spell to adopt the ordinance for the establishment of a Water Capital Projects Budget for the Frog Level Road Water Main Extension. Motion carried unanimously. (Ordinance No. 07-64)

Motion was made by Council Member Craft and seconded by Council Member Spell to adopt the reimbursement resolution allowing GUC to reimburse itself from future debt financing. Motion carried unanimously. (Resolution No. 07-37)

WATER CAPITAL PROJECTS BUDGET ORDINANCE FOR GREENVILLE UTILITIES COMMISSION'S INTER-BASIN TRANSFER ANALYSIS FOR THE SALE OF WATER TO FARMVILLE, GREENE COUNTY, AND WINTERVILLE - ADOPTED

Motion was made by Council Member Craft and seconded by Council Member Spell to adopt the Water Capital Projects Budget for the Inter-Basin Transfer Analysis. Motion carried unanimously. (Ordinance No. 07-65)

<u>SERIES RESOLUTION AUTHORIZING ISSUANCE OF \$9,850,000 GUC REVENUE</u> BONDS, SERIES 2007 – ADOPTED

Mayor Parrott introduced Resolution No. 07-38, a copy of which had been provided to each Council Member, and which was read by its title: Series Resolution Authorizing The Issuance Of A \$9,850,000 Greenville Utilities Commission Combined Enterprise System Revenue Bond, Series 2007 Of The City Of Greenville, North Carolina Pursuant To The Provisions Of Section 210 Of The Bond Order Adopted By The City Council On August 11, 1994, Amended And Restated As Of April 13, 2000, And Requesting The Local Government Commission Of North Carolina To Award The Bonds At Private Sale.

Motion was made by Council Member Craft and seconded by Council Member Spell to adopt the Series Resolution Authorizing The Issuance Of A \$9,850,000 Greenville Utilities Commission Combined Enterprise System Revenue Bond, Series 2007 Of The City Of Greenville, North Carolina Pursuant To The Provisions Of Section 210 Of The Bond Order Adopted By The City Council On August 11, 1994, Amended And Restated As Of April 13, 2000, And Requesting The Local Government Commission Of North Carolina To Award The Bonds At Private Sale. Motion carried unanimously. (Resolution No. 07-38)

<u>BUDGET ORDINANCE AMENDMENT #9 TO CITY OF GREENVILLE 2006-2007</u> BUDGET AND AMENDMENTS TO ORDINANCES 96-52 AND 03-57 - ADOPTED

Motion was made by Council Member Craft and seconded by Council Member Spell to adopt the ordinance approving budget ordinance amendment #9 to the 2006-2007 City of Greenville budget and amendments to ordinances 96-52 and 03-57. Motion carried unanimously. (Ordinance No. 07-66)

ORDINANCE RELATING TO CITIZENS ADVISORY COMMISSION ON CABLE TELEVISION – CONTINUED TO JUNE

Due to the late hour, motion was made by Mayor Pro-Tem Council and seconded by Council Member Spell to continue this item until a June 2007 meeting. Motion carried unanimously.

SETTING OF FAIR MARKET VALUE ON CITY-OWNED PROPERTIES – APPROVED

Mr. Merrill Flood, Director of Planning and Community Development, informed the Council that appraisals for three of the newly constructed homes on Martin Luther King Jr. Drive and three existing homes being rehabilitated on Contentnea Street for sale to owner occupants were received on May 4. These homes are owned by the City and will be sold to low to moderate-income homebuyers who will occupy the home as their principal residence. He asked that the Council establish fair market value for the six properties.

Parcel #	Address	Structure Type	Appraised Value	Recommen- dation
07157	1501 Martin Luther King, Jr. Drive	New	\$94,000	\$94,000
07276	1503 Martin Luther King, Jr. Drive	New	\$96,000	\$96,000
07274	1509 Martin Luther King, Jr. Drive	New	\$94,000	\$94,000
07131	601 Contentnea Street	Existing	\$85,000	\$85,000
07133	603 Contentnea Street	Existing	\$85,000	\$85,000
07134	605 Contentnea Street	Existing	\$85,000	\$85,000

Motion was made by Mayor Pro-Tem Council and seconded by Council Member Spell to set the fair market value on City-owned properties as recommended by the Community Development staff. Motion carried unanimously.

COMMENTS FROM MAYOR AND CITY COUNCIL

Council Member Little asked for more detail on the community liaison position that is being requested, including a job description, what that person will be doing, how that position might tie in with Neighborhood Services, etc.

Council Member Spell reported that there will be several neighborhood picnics on May 19. He encouraged the people in those areas to go to the picnics and meet their neighbors.

Mayor Pro-Tem Council stated that residents in District 1 will be having a community meeting headed by the Police Chief at a date to be announced. She stated that Town Hall Day was begun on May 9 with a North Carolina Black Elected Municipal Officials (NCBEMO) breakfast and they were entertained by Shaw University students. NCBEMO is planning its summer conference in New Bern. During Town Hall Day, they lobbied members of the General Assembly.

Council Member Craft stated that he presented the Mayor's proclamation at the Chamber of Commerce's Small Business Breakfast. The small business leaders of the year were announced, and Council Member Craft congratulated those winners—Mary Parsons and S. G. Wilkerson.

Council Member Dunn announced the three Environmental Advisory Commission Award winners. She stated that she went to the Greenville Aquatics and Fitness Center for the opening of the pool, and it was very nice. They are putting down a new floor in the gym. Council Member Dunn stated that the naming of the Intergenerational Center was very special. She thanked Mayor Pro-Tem Council and Council Member Glover for the naming recommendation.

Council Member Glover thanked everyone for their thoughts, prayers, cards, calls, e-mails, etc. on the passing of her sister. She received a lot of phone calls while she was away, and will try to catch up on returning them. She asked the Police Chief to refresh her memory on when the District 2 Police Community Relations Committee meeting will be held, and he replied that it will be on May 23 at 7:00 p.m. at Selvia Chapel on Watauga Avenue.

CITY MANAGER'S REPORT

City Manager Bowers stated that staff is working with the Campbell family on transition health insurance benefits. Officer Campbell had City insurance for his family, and, under COBRA, the family is allowed to carry that for 36 months if they start paying the full premium, which is approximately \$1000 per month beginning at the beginning of the month. The City has continued the coverage for one month. Staff recommends that the Council amend the policy to allow continuance of the coverage for a total of six months for any employee who has died as a direct result of an injury received on duty while employed with the City. The City would pay the part the family would normally pay. City Manager Bowers stated that if the Council approves the concept, the policy amendment will be brought back next month. It is rare that it would be needed.

Motion was made by Council Member Little and seconded by Mayor Pro-Tem Council to approve the concept as recommended by the City Manager. Motion carried unanimously.

City Manager Bowers reminded the Council of the following:

- Groundbreaking for the fallen soldier monument to be held May 17 at 10:00 a.m. on the Town Common.
- Village of Simpson Town Council meeting on May 21 at 7:00 p.m. in the Village Town Hall.
- Andrew A. Best Freedom Park dedication on May 23 at 5:30 p.m. in the Oakdale/Red Oak area.

Mayor Pro-Tem Council congratulated the Hightower Hoopsters on their accomplishments.

ADJOURN

Motion was made by Council Member Glover and seconded by Council Member Craft to adjourn the meeting at 10:25 p.m. Motion carried unanimously.

Respectfully submitted,

Wanda T. Elks, MMC City Clerk

Meeting Date: 6/11/2007 Time: 6:00 PM

<u>Title of Item:</u> Resolution accepting dedication of rights-of-way and easements for Bedford,

Section 9, Phase 2, and a revision to Lots 15 and 16 in Bedford, Section 9, Phase

1

Explanation: In accordance with the City's Subdivision regulations, rights-of-way and

easements have been dedicated for Bedford, Section 9, Phase 2, and a revision to Lots 15 and 16 in Bedford, Section 9, Phase 1 (Map Book 66 at Page 183). A resolution accepting the dedication of the aforementioned rights-of-way and easements is attached for City Council approval. A final plat showing the rights-

of-way and easements is also attached.

Fiscal Note: Funds for the maintenance of these rights-of-way and easements are included

within the FY 2006-2007 budget.

Recommendation: City Council adopt the attached resolution accepting dedication of rights-of-way

and easements for the subdivisions of Bedford, Section 9, Phase 2, and a revision

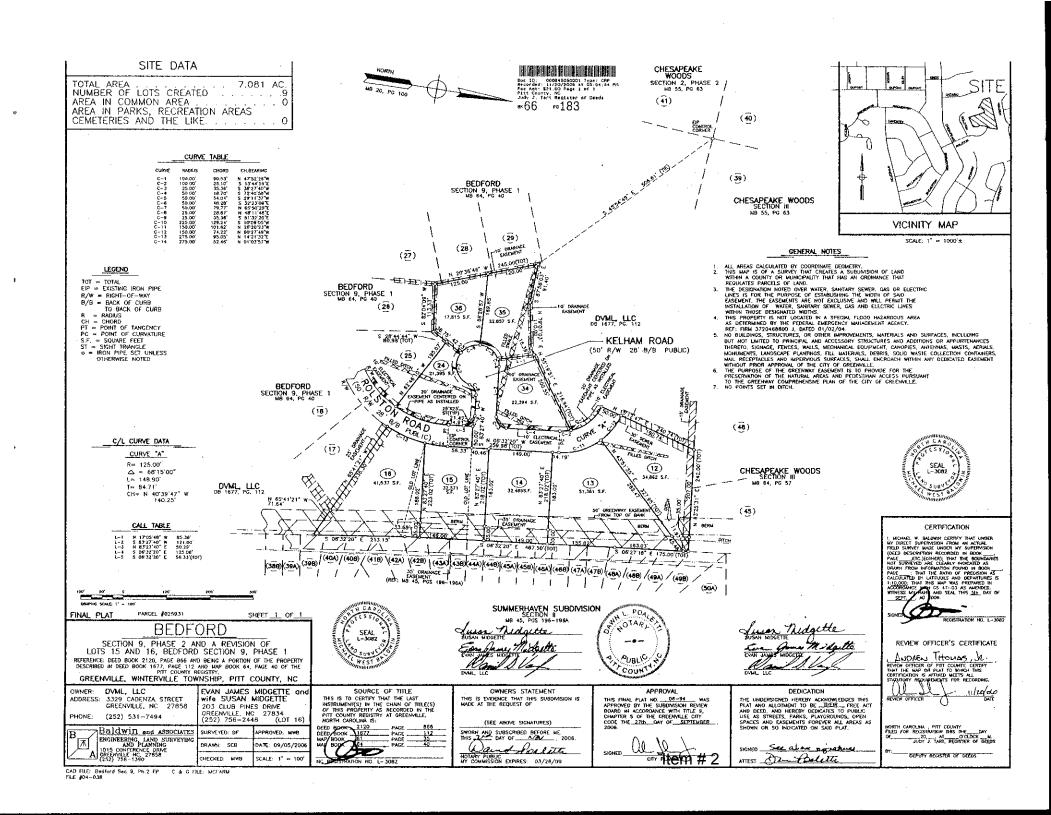

to Lots 15 and 16 in Bedford, Section 9, Phase 1.

June 2007 Right of Way Resolution

RESOLUTION NO. 07 ____ A RESOLUTION ACCEPTING DEDICATION TO THE PUBLIC OF RIGHTS-OF-WAY AND EASEMENTS ON SUBDIVISION PLATS

WHEREAS, G.S. 160A-374 authorizes any city council to accept by resolution any dedication made to the public of land or facilities for streets, parks, public utility lines, or other public purposes, when the lands or facilities are located within its subdivision-regulation jurisdiction; and

WHEREAS, the Subdivision Review Board of the City of Greenville has acted to approve the final plats named in this resolution, or the plats or maps that predate the Subdivision Review Process; and

WHEREAS, the final plats named in this resolution contain dedication to the public of lands or facilities for streets, parks, public utility lines, or other public purposes; and

WHEREAS, the Greenville City Council finds that it is in the best interest of the public health, safety, and general welfare of the citizens of the City of Greenville to accept the offered dedication on the plats named in this resolution.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Greenville, North Carolina:

<u>Section 1</u>. The City of Greenville accepts the dedication made to the public of lands or facilities for streets, parks, public utility lines, or other public purposes offered by, shown on, or implied in the following approved subdivision plats:

Bedford, Section 9, Phase 2 and a revision of Lots 15 and 16, Bedford, Section 9, Phase 1

Map Book 66

NORTH CAROLINA PITT COUNTY
I,, a Notary Public, do hereby certify that Wanda T. Elks, City Clerk, personally appeared before me this day and acknowledged that she is the City Clerk of the City of Greenville, a municipality, and that by authority duly given and as the act of the municipality, the foregoing instrument was signed in its name by its mayor, sealed with the corporate seal, and attested by herself as its City Clerk.
WITNESS my hand and notarial seal this day of June, 2007.
Notary Public
My Commission Expires:

Meeting Date: 6/11/2007 Time: 6:00 PM

<u>Title of Item:</u> Resolution authorizing the disposal of surplus computer equipment to Pitt

County Schools

Explanation: The Information Technology Department staff replaced nearly 113 computers

during this budget year due to functionality and processing restraints. For these reasons, this computer equipment has been labeled as surplus to the City's needs. The schools will refurbish the equipment and implement them into various areas

that are in need of technological resources.

Fiscal Note: Items to be sold at a cost of \$1.00 to be paid by Pitt County Schools.

Recommendation: Approval of the resolution authorizing the disposal of surplus computer

equipment to Pitt County Schools.

Surplus computers

RESOLUTION NO. 07-___ RESOLUTION DECLARING CERTAIN PROPERTY AS SURPLUS AND AUTHORIZING DISPOSITION OF THE SURPLUS PROPERTY TO PITT COUNTY SCHOOLS

WHEREAS, the Information Technology Department has determined that certain property is surplus to the needs of the City;

WHEREAS, Pitt County Schools can put this property to use; and

WHEREAS, North Carolina General Statute 160A-274 permits City Council to authorize the disposition, upon such terms and conditions it deems wise, with or without consideration, of real or personal property to another governmental unit;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Greenville that the hereinafter described property is declared as surplus to the needs of the City of Greenville and that said property shall be conveyed to Pitt County Schools for one dollar (\$1.00), said property being described as follows:

One Hundred One (101) Dell Desktop Computers and One (1) Dell Laptop Computer

This the 11th day of June, 2007.

Meeting Date: 6/11/2007 Time: 6:00 PM

<u>Title of Item:</u> Resolution amending the Personnel Policies to authorize City payment of

premiums for dependent health insurance upon the death of a City employee

Explanation: Under current City Personnel Policies, at the beginning of the month following

the death of a City employee, the payment of health insurance premiums for any dependent coverage becomes the full responsibility of the dependent. In order to provide a transition during this time of stress, City staff recommends that the Personnel Policies be amended to provide that the City will pay the health insurance premiums for six months at the same rate as prior to the death of the employee. After the end of the six months, the dependent would still be able to continue the insurance coverage as required by federal law, but would be

responsible for paying the full premium.

Fiscal Note: Since in most cases it will take several months to replace the deceased

employee, funds to make the premium payments will be available in the

appropriate departmental budget.

Recommendation: City Council approve the attached resolution amending the Personnel Policies to

authorize City payment of premiums for dependent health insurance upon the

death of a City employee.

Amending the City of Greenville Personnel Policies re: Health and Hospitalization Coverage

RESOLUTION NO. 07-A RESOLUTION AMENDING THE CITY OF GREENVILLE PERSONNEL POLICIES

THE CITY COUNCIL OF THE CITY OF GREENVILLE, NORTH CAROLINA, RESOLVES:

<u>Section 1.</u> That Article VI, Section 1.0 of the Personnel Policies is amended by the addition of a paragraph to read as follows:

Upon the death of a City employee as a direct and proximate result of an injury sustained while the employee is on duty, the eligible dependents of the employee shall be eligible to continue the group health and hospitalization coverage for a period of six (6) months commencing on the first day of the month after the month in which the death occurs with the City paying the employer share of the premium at the active employee rate for said continuation of coverage and the covered dependents paying the employee share of the premium at the active employee rate for the continuation of coverage. Notwithstanding the foregoing, the eligibility for the continuation of such coverage with said City payment shall not be available in the event one or more of the following occurs: (1) the injury which results in the death is caused by intentional misconduct of the employee, (2) the employee was voluntarily under the influence of any intoxicant, medication, or controlled substance at the time of the injury which results in the death, (3) any of the eligible dependents contributed to the injury which results in the death, or (4) the injury which results in the death is a heart attack or stroke. The eligibility for the continuation of coverage provided in accordance with this paragraph shall run concurrently with the period of availability of group health and hospitalization coverage required pursuant to federal law (COBRA) and will not extend the period of time which said coverage is to be available.

<u>Section 2.</u> All inconsistent provisions of former resolutions, ordinances, or policies are hereby repealed.

Section 3. This resolution shall be effective upon adoption.

ADOPTED this the 11th day of June, 2007.

<u>Title of Item:</u> Citizens Advisory Commission on Cable Television

Explanation: This item was continued by City Council to a June meeting at its May 10, 2007, meeting.

City Council requested at its May 7, 2007, meeting that two ordinances be provided for its consideration relating to the Citizens Advisory Commission on Cable Television with one of the ordinances to dissolve the Commission and one of the ordinances to change its role to serve as an advisory commission on the government access channel.

Attached is the following:

- (1) Current ordinance provision relating to the Citizens Advisory Commission on Cable Television;
- (2) Ordinance which will dissolve the Commission by repealing the current ordinance provision; and
- (3) Ordinance which will change the name and role of the Commission to serve in an advisory capacity on the government access channel by amending the current ordinance (the current Commission membership will remain in place).

Fiscal Note: There is no fiscal impact resulting from the adoption of either ordinance.

Recommendation: City Council may, by the adoption of one of the attached ordinances, either dissolve the Citizens Advisory Commission on Cable Television or continue it with a revised focus as the Citizens Advisory Commission on Government

Access Channel.

- AN ORDINANCE REPEALING ARTICLE G OF CHAPTER 3 OF TITLE 2 OF THE GREENVILLE CITY CODE, DISSOLVING THE CITIZENS ADVISORY COMMISSION ON CABLE TELEVISION
- Ordinance Amending Article G of Chapter 3 of Title 2 re: Cable Commission

GREENVILLE CITY CODE

Article G. Citizens Advisory Commission on Cable Television

Sec. 2-3-70. Created.

A citizens advisory commission on cable television is hereby created for the purpose of assisting the city council with cable television related matters. (Ord. No. 2374, § 1, 9-23-91)

Sec. 2-3-71. Membership and vacancies.

- (a) The commission shall consist of nine (9) members, all of whom shall be residents of the City of Greenville. Members shall serve staggered terms with each term being three (3) years. At least two (2) of the members shall have experience and expertise in the field of video production, broadcast or communications, and one (1) member shall be an educator.
 - (b) A member of city council shall be designated as an ex-officio, non-voting member of the commission.
- (c) Vacancies occurring for reasons other than the expiration of terms shall be filled as they occur for the remaining period of the unexpired term.
- (d) It shall not be deemed a conflict of interest for the city to contract with or hire on a part-time or event-specific basis a member of the cable commission for the purpose of providing services or technical assistance in the government or public access programming or broadcast activities. (Ord. No. 2374, § 1, 9-23-91; Ord. No. 98-24, § 1, 2-12-98)

Sec. 2-3-72. Responsibilities and duties.

- (a) The responsibilities and duties of the commission shall include:
 - (1) To monitor the performance of the cable franchisee under the franchise granted by the city council, and to report any violations of the franchise to the city manager or the city council for appropriate action.
 - (2) To assist in the establishment and operation of the government access channel and programming and to make recommendations to the city council for changes or improvements in government access programming.
 - (3) To develop and recommend to the city council regulations and policy for public access.
 - (4) To assist in the establishment, operation, monitoring and oversight of public access programming, and to encourage appropriate public access usage by citizens of the community.
 - (5) To monitor federal and state legislative and regulatory developments regarding cable television, and to recommend appropriate actions or policy positions to the city council.
 - (6) To seek public opinion and input on cable related issued in the community and to assist in resolving citizen complaints regarding cablevision services.
 - (7) To monitor technical developments in the field of cable television and make recommendations to the city council regarding system upgrades or changes necessitated by technological developments.
 - (8) To recommend to the city council a budget for public and government access programming and equipment, including a budget for two-fifths (2/5) of the revenue received from the franchise fee levied by the city on the cable television franchisee.
 - (9) To assist city departments, agencies, boards and commissions with appropriate use of government access programming.

GREENVILLE CITY CODE

Article G. Citizens Advisory Commission on Cable Television

(b) Notwithstanding the specific responsibilities listed in subsection (a) above, the citizens advisory commission on cable television shall assist the city in all appropriate ways with regulation and use of cable television services. (Ord. No. 2374, § 1, 9-23-91)

Sec. 2-3-73. Organization and meetings.

- (a) The commission shall elect a chairman and vice-chairman to serve one-year terms. Officers of the commission may be reelected for subsequent terms.
- (b) The public information officer, or other city employee designated by the city manager, shall serve as principle administrative staff to the commission. The commission may request additional assistance from the city manager when necessary. (Ord. No. 2374, § 1, 9-23-91; Ord. No. 04-36, § 1, 5-10-04))

ORDINANCE NO. 07-AN ORDINANCE REPEALING ARTICLE G OF CHAPTER 3 OF TITLE 2 OF THE GREENVILLE CITY CODE, DISSOLVING THE CITIZENS ADVISORY COMMISSION ON CABLE TELEVISION

THE CITY COUNCIL OF THE CITY OF GREENVILLE DOES HEREBY ORDAIN:

<u>Section 1.</u> That Article G of Chapter 3 of Title 2 of the Code of Ordinances, City of Greenville is hereby amended by repealing said Article G and deleting said Article G in its entirety.

<u>Section 2.</u> All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

<u>Section 3.</u> Any part or provision of this ordinance found by a court of competent jurisdiction to be in violation of the Constitution or laws of the United States or North Carolina is hereby deemed severable and shall not affect the validity of the remaining provisions of the ordinance.

Section 4. This ordinance shall become effective immediately upon its adoption.

This the 11th day of June, 2007.

ATTEST:	Robert D. Parrott, Mayor

ORDINANCE NO. 07-ORDINANCE AMENDING ARTICLE G OF CHAPTER 3 OF TITLE 2 OF THE GREENVILLE CITY CODE

The City Council of the City of Greenville, North Carolina does hereby ordain:

Section 1. That Article G of Chapter 3 of Title 2 of the Code of Ordinances, City of Greenville, is hereby amended to read as follows:

Article G. Citizens Advisory Commission on Government Access Channel

Sec. 2-3-70. Created.

A citizens advisory commission on government access channel is hereby created for the purpose of assisting the city council with government access channel related matters.

Sec. 2-3-71. Membership and vacancies.

- (a) The commission shall consist of nine (9) members, all of whom shall be residents of the City of Greenville. Members shall serve staggered terms with each term being three (3) years. At least two (2) of the members shall have experience and expertise in the field of video production, broadcast or communications, and one (1) member shall be an educator.
- (b) A member of city council shall be designated as an ex-officio, non-voting member of the commission.
- (c) Vacancies occurring for reasons other than the expiration of terms shall be filled as they occur for the remaining period of the unexpired term.
- (d) It shall not be deemed a conflict of interest for the city to contract with or hire on a parttime or event-specific basis a member of the commission for the purpose of providing services or technical assistance in government access channel programming or broadcast activities

Sec. 2-3-72. Responsibilities and duties.

- (a) The responsibilities and duties of the commission shall include:
 - (1) To advise on the operation of the government access channel and programming and to make recommendations to the city council for changes or improvements in government access programming.
 - (2) To seek public opinion and input on government access channel and program issues in the community.
 - (3) To monitor technical developments in the field of government access channel and programming and make recommendations to the city council regarding system upgrades or changes necessitated by technological developments.

- (4) To advise city departments, agencies, boards and commissions with appropriate use of government access programming.
- (b) Notwithstanding the specific responsibilities listed in subsection (a) above, the citizens advisory commission on government access channel shall assist the city in all appropriate ways with regulation and use of the government access channel so that it meets its purpose of effectively communicating to citizens about city government.

Sec. 2-3-73. Organization and meetings.

This the 11th day of June, 2007.

- (a) The commission shall elect a chair and vice-chair to serve one-year terms. Officers of the commission may be reelected for subsequent terms.
- (b) The public information officer, or other city employee designated by the city manager, shall serve as principal administrative staff to the commission. The commission may request additional assistance from the city manager when necessary.
- Section 2. The membership of the current Citizens Advisory Commission on Cable Television shall continue to serve on the Citizens Advisory Commission on Government Access Channel since it is the intent of this ordinance that the Citizens Advisory Commission on Government Access Channel is a reformulation of the Citizens Advisory Commission on Cable Television with a different name and role.
- Section 3. All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.
- Section 4. Any part or provision of this ordinance found by a court of competent jurisdiction to be in violation of the Constitution or laws of the United States or North Carolina is hereby deemed severable and shall not affect the validity of the remaining provisions of the ordinance.
 - Section 5. This ordinance shall become effective upon its adoption.

<u>Title of Item:</u> Support of nomination for ElectriCities of North Carolina Board of Directors

Explanation:

ElectriCities of North Carolina, Inc. is a trade association that consolidates many of the administrative, technical, legal, and legislative services needed by municipally-owned electric utilities such as Greenville Utilities Commission. By combining customer service and safety training, emergency and technical assistance, communications, government and legal services, ElectriCities helps its members save their customers the local expense of administering these functions. ElectriCities also provides management services to North Carolina's two municipal power agencies: North Carolina Eastern Municipal Power Agency (NCEMPA) and North Carolina Municipal Power Agency Number 1 (NCEMPA1). (NCEMPA is the power agency for eastern cities; NCMPA1 is the power agency for the western cities.)

ElectriCities was formed by North Carolina's public power communities in 1965. At that time, municipally-owned electric systems needed a unified voice to speak for them in the state legislature and to protect their service areas from other, larger power suppliers. As local governments have grown stronger, ElectriCities has evolved into a unified group on many other fronts as well. Today, ElectriCities helps cities and towns hold down operating costs through special programs, taking advantage of the strength found in numbers.

The ElectriCities' Board of Directors is comprised of 14 representatives. Six directors are elected by the NCEMPA Board of Commissioners, six are elected by the North Carolina Municipal Power Agency Number 1 Board of Commissioners, and two are elected by the non-Power Agency cities/towns.

Four of the six directors elected by each Power Agency must be affiliated with a power agency city. The remaining two directors need have no such affiliation.

Directors are elected either by weighted vote or majority vote. The Power Agencies weighted votes are based on the percentage of a city's ownership in the joint project. For Greenville, the percentage interest in NCEMPA is 16.1343%;

therefore, Greenville's vote is counted as 18 out of a total of 150 votes. In majority votes, each member city is allowed one vote.

Former General Manager Malcolm Green served on the ElectriCities Board from 1999 until his death in early 2004. A special election was held in May 2004 for a replacement to fill his unexpired term. Roger Jones, Director of Electric Systems, was elected to serve the remainder of the term, which expired in December 2005.

Campaigning has already started for representatives that have an interest in serving on the Board starting in 2008. Nominations for open Director seats are normally due in November with elections held in December. New directors elected will be eligible to serve two consecutive three-year terms.

Nominations for a Director must be made by a commissioner or alternate commissioner of the respective power agency. In past nominations, the NCEMPA Commissioner for Greenville (currently Buddy Zincone) has made the nomination with concurrence of the nomination by the First Alternate NCEMPA Commissioner (currently Council Member Chip Little).

As GUC is one of the largest members in ElectriCities and the NCEMPA, it is desirable that Greenville have representation on the Board. At their meeting on May 8, the GUC Board discussed the nomination/election process and voted to support the nomination of Ron Elks, GUC General Manager/CEO, as a candidate for the ElectriCities Board. The GUC Board also requested the City Council consider and endorse this nomination.

Fiscal Note: No cost to the City of Greenville

Recommendation: Endorsement of support for Ron Elks, GUC General Manager/CEO, to be

nominated as a candidate for the ElectriCities of North Carolina Board of

Directors

<u>Title of Item:</u> Donation of Elm Street Little League Field lights

Explanation: Greenville Little League installed lights several years ago at Elm Street Park.

Since the lights were installed on City property, the lights became City property. Greenville Little League is once again replacing the lighting system and wishes

to donate the existing lights to Rose High School.

Fiscal Note: No cost to the City.

Recommendation: The Recreation and Parks Commission has not had an opportunity to meet and

consider this proposal, but staff polled the members and the members voted to make a recommendation to donate the lights to Rose High School. Staff concurs

with this recommendation.

<u>Title of Item:</u> Contract award for West Third Street Improvements Project

Explanation: Bids were advertised and received for the West Third Street Improvements

Project on May 22, 2007. Attached is the bid tabulation. The lowest responsive bid was submitted by HML Corporation, Inc. of Greenville, NC, in the amount of \$752,161.45. The project consists of performing various improvements to the segment of West Third Street from Tyson Street to Pitt Street that include widening portions of the road, replacement of curb/gutter and sidewalk, storm

drainage improvements, utility adjustments, and street resurfacing.

Fiscal Note: Funding for this project will be provided through the General Obligation Bonds

authorized in November 2004. As part of this project, the Greenville Utilities Commission (GUC) will reimburse the City for adjustments to utilities affected by the project resurfacing (\$30,650). The proposed budget for this project is as

follows:

Expenditures

Engineering/Design	\$ 6,200.00
Construction Contract	\$752,161.45
Construction Contingency (5%)	\$ 37,608.07
Traffic Signal Adjustment	\$ 11,930.48
Retaining Wall (Sidewalk)	\$ 16,350.00
Landscaping	\$ 15,750.00
Total Project Cost	\$840,000.00

Revenues

2004 General Obligation Bonds	\$828,670.00
GUC (for utility adjustments)	<u>\$ 11,330.00</u>
Total Project Revenues	\$840,000.00

Recommendation: City Council award a construction contract for the West Third Street

Improvements Project to HML Corporation, Inc. in the amount of \$752,161.45.

<u>Title of Item:</u> Setting of fair market value for City-owned property located at 1411 Martin

Luther King Jr., Drive

Explanation: The appraisal for the fourth newly constructed home located at 1411 Martin

Luther King, Jr. Drive has been completed, with an appraised value of

\$93,000 and the City Council now needs to establish the fair market value. This home is owned by the City of Greenville and will be sold to a low to moderate income homebuyer who will occupy the home as their principal residence. This action would make the home available to interested buyers by the sealed bid

method of sale.

Fiscal Note: None

Recommendation: Approve setting the fair market value of 1411 Martin Luther King Jr. Drive at

\$93,000 based on the attached appraisal.

Meeting Date: 6/11/2007 Time: 6:00 PM

<u>Title of Item:</u> Off-leash dog area in Tar River Estates Neighborhood

Explanation: As a follow up to the presentation at the February 5, 2007 City Council

meeting, staff will update the Mayor and City Council on the plans for the off-

leash dog area to be constructed in the Tar River Estates Neighborhood.

Fiscal Note: Staff will recommend a budget amendment on June 14, 2007, to appropriate from

the contingency account \$17,584 for the purchase and installation of 6' vinyl

coated fencing.

Recommendation: Approve the construction of the off-leash dog area in the Tar River Estates

Neighborhood.

Meeting Date: 6/11/2007 Time: 6:00 PM

Title of Item:

Proposed Fiscal Year 2007-2008 Budgets:

- a. City of Greenville
- b. Sheppard Memorial Library
- c. Greenville-Pitt County Convention & Visitors Authority
- d. Greenville Utilities Commission

Explanation:

The City Council is required by Section 159-12 of the North Carolina General Statutes to conduct a public hearing prior to adopting the annual budget ordinances. The proposed budget ordinances for the City of Greenville and Greenville Utilities Commission are attached. The City budget ordinance also contains the budgets of Sheppard Memorial Library and the Greenville-Pitt County Convention & Visitors Authority.

The proposed City budget incorporates the FY 2007-2008 Financial Plan approved by the City Council on June 8, 2006 as adjusted by the changes proposed in the City Manager's budget message of May 2, 2007. A few other adjustments are being proposed and will be discussed prior to the public hearing on June 11, 2007. The three primary adjustments proposed for further consideration involve the sales tax, refuse fees, and false alarm revenues.

On May 18, 2007, the City received from the State the March distribution of sales tax revenues. The sales tax distribution for March 2007 was 34.6% above the distribution received by the City for March 2006. This significant increase appears to have been a correction to adjust for variations in previous distributions during the current fiscal year. Through the February distribution representing eight months of the fiscal year, total sales tax collections were only 3.5% above the previous year. By adding the March distribution, total sales tax received by the City through nine months now reflects a 6.2% increase above the previous year. Based on these new figures, the City staff recommends an increase in the previous projection for sales tax collections in FY 2007-2008. The proposed adjustment will result in an estimated additional \$220,749 in sales tax collections next year.

During the budget presentation on May 7, 2007, the City Council requested information concerning the indirect costs used to calculate total refuse collection costs. This information was subsequently distributed to the City Council and reflected several different components of the total \$334,000 of indirect costs. Since some of the overhead cost components were based on projections, City staff recommends that the amount of overhead expenses be lowered from \$334,000 to \$168,819. The amount of \$168,819 represents the actual costs of lease purchase payments that will be made during FY 2007-2008 for previously purchased refuse collection vehicles. By reducing the amount of overhead costs, staff recommends that the refuse fees for FY 2007-2008 be established as \$9.26 per month for curbside and \$19.67 per month for backyard service. These rates represent a reduction from the previously recommended \$9.60 and \$20.40 respectively.

On May 10, 2007, the City Council approved an ordinance establishing fees and penalties for false burglar alarms. The ordinance imposes certain regulatory fines and fees. The revenues produced by these fines and fees will be needed to cover the cost of implementing the new ordinance. The third budget adjustment makes provision for the projected false burglar alarm revenues and costs.

Fiscal Note:

The FY 2007-2008 ordinances provide revenues and appropriations for the following funds:

General Fund	\$ 65,772,676
Powell Bill Fund	2,877,779
Debt Service Fund	5,576,362
Public Transportation Fund	1,836,650
Aquatics & Fitness Center Fund	589,763
Bradford Creek Golf Course Fund	931,362
Stormwater Utility Fund	3,292,009
Community Development Housing Fund	1,834,135
Dental Reimbursement Fund	233,977
Vehicle Replacement Fund	2,552,245
Sheppard Memorial Library	2,215,098
Convention & Visitors Authority	765,326
Greenville Utilities Commission	\$ 234,067,640

Recommendation:

City Council receive a staff report and conduct a public hearing on the proposed budget ordinances for FY 2007-2008.

(b) Salary Cap of Greenville Utilities Commission Members. Pursuant to Section 4 of the Charter of the Greenville Utilities Commission of the City of Greenville, the monthly salaries of members of the Greenville Utilities Commission shall not exceed the following caps:

Chair \$ 350 Member \$ 200

Section VI: Amendments.

ADOPTED this the 14th day of June, 2007.

- (a) Pursuant to General Statutes 159-15, this budget may be amended by submission of proposed changes to the City Council.
- (b) Notwithstanding Subsection (a) above, the City Manager is authorized to transfer funds from one appropriation to another within the same fund in an amount not to exceed \$10,000. Any such transfers shall be reported to the City Council at its regular meeting and shall be entered in the minutes.
- (c) In case of emergency which threatens the lives, health, or safety of the public, the City Manager may authorize expenditures in an amount necessary to meet the emergency so long as such amount does not exceed the amount in contingency accounts and the expenditure is reported to the City Council as soon as possible, and the appropriate budget amendments are submitted at the next regular meeting.

Section VII: The Manual of Fees, dated July 1, 2007, and the Assignment of Classes to Salary Grades and Salary Ranges dated June 23, 2007, are adopted herein by reference.

Section VIII: Community Development. The City Council does hereby authorize grant project funds for the operation of FY 2007-2008 CDBG Entitlement and Community Development Home Consortium programs under the Community Development Block Grant Program and Home Consortium Program for the primary purpose of housing rehabilitation and other stated expenditures.

Section IX: Greenville Utilities Commission. The City Council adopts a separate ordinance for the budget of the Greenville Utilities Commission. Copies of the ordinance are on file with the City Clerk's office.

Section X: Distribution. Copies of this ordinance shall be furnished to the City Manager and the Director of Financial Services of the City of Greenville to be kept on file by them for their direction in the disbursement of funds.

ATTEST:	Robert D. Parrott, Mayor
Wanda T. Elks, City Clerk	

ORDINANCE NO. _____ CITY OF GREENVILLE, NORTH CAROLINA 2007-08 GREENVILLE UTILITIES COMMISSION BUDGET ORDINANCE

THE CITY COUNCIL OF THE CITY OF GREENVILLE, NORTH CAROLINA, DOES ORDAIN:

Section I. Estimated Net Revenues and Fund Balances. It is estimated that the following non-tax revenues and fund balances will be available during the fiscal year beginning July 1, 2007 and ending June 30, 2008 to meet the subsequent expenditures, according to the following schedules:

Water Department	\$6,895,871
Sewer Department	\$7,159,252
Gas Department	\$35,034,229
TOTAL EXPENDITURES	\$234,067,640

Section III: Amendments. (a) Pursuant to General Statutes 159-15, this budget may be amended by submission of proposed changes to the City Council.

- (b) Notwithstanding Subsection (a) above, the General Manager/CEO of Greenville Utilities Commission is authorized to transfer funds from one appropriation to another within the same fund in an amount not to exceed \$10,000. Any such transfers shall be reported to the Greenville Utilities Commission and the City Council at their next regular meeting and shall be entered in the minutes.
- (c) In case of emergency which threatens the lives, health, or safety of the public, the General Manager/CEO may authorize expenditures in an amount necessary to meet the the emergency so long as such amount does not exceed the amount in contingency accounts and the expenditure is reported to the Greenville Utilities Commission as soon as possible, and appropriate budget amendments are submitted to the City Council, if necessary, at its next regular meeting.

Section IV: Distribution. Copies of this ordinance shall be furnished to the General Manager/CEO and the Chief Financial Officer of the Greenville Utilities Commission, and the Director of Financial Services of the City of Greenville to be kept on file by them for their direction in the disbursement of funds.

Adopted this the day of June, 2007.	
Attest:	Robert D. Parrott, Mayor
Wanda T. Elks, City Clerk	

CITY OF GREENVILLE NORTH CAROLINA

JULY 1, 2007 Revised June 2007 Document Number 697960

MANUAL OF FEES

INTRODUCTION

The Manual of Fees represents the compilation into one document the fees and charges established by the City Council. Revisions may be made in this Manual as fees and charges are subsequently amended, established, or altered. All changes and amendments shall be filed with the City Clerk, and such changes shall become effective when filed.

The Manual of Fees was adopted by the City Council and first printed on March 12, 1981. The second printing of the Manual of fees was amended by the City Council on June 9, 1983.

The third printing of the Manual of Fees was amended and revised by the City Council on June 24, 1991, by Ordinance No. 2341.

The fourth printing of the Manual of Fees was amended and revised by the City Council on June 8, 1992, by Ordinance No. 2471.

The fifth printing of the Manual of Fees was amended and revised by the City Council on June 10, 1993, by Ordinance No. 2653.

The sixth printing of the Manual of Fees was amended and revised by the City Council on June 9, 1994, by Ordinance 94-87.

The seventh printing of the Manual of Fees was amended and revised by the City Council on June 8, 1995, by Ordinance 95-67.

The eighth printing of the Manual of Fees was amended and revised by the City Council on June 13, 1996, by Ordinance 96-49.

The ninth printing of the Manual of Fees was amended and revised by the City Council on June 12, 1997, by Ordinance 97-61.

The tenth printing of the Manual of Fees was amended and revised by the City Council on August 14, 1997, by Ordinance 97-72.

The eleventh printing of the Manual of Fees was amended and revised by the City Council on June 15, 1998, by Ordinance 98-85.

The twelfth printing of the Manual of Fees was amended and revised by the City Council on June 10, 1999, by Ordinance 99-77.

The thirteenth printing of the Manual of Fees was amended and revised by the City Council on June 8, 2000, by Ordinance 00-83.

The fourteenth printing of the Manual of Fees was amended and revised by the City Council on June 14, 2001, by Ordinance 01-82.

The fifteenth printing of the Manual of Fees was amended and revised by the City Council On June 15, 2002 by Ordinance 02-64.

INTRODUCTION

The sixteenth printing of the Manual of Fees was amended and revised by the City Council On June 12, 2003 by Ordinance 03-54.

The seventeenth printing of the Manual of Fees was amended and revised by the City Council June 10, 2004 Ordinance 04-70.

The eighteenth printing of the Manual of Fees was amended and revised by the City Council June 9, 2005 Ordinance 05-66

The nineteenth printing of the Manual of Fees was amended and revised by the City Council June 8, 2006 Ordinance 06-58.

The twentieth printing of the Manual of Fees was amended and revised by the City Council September 25, 2006 Ordinance

06-100 and on September 14, 2006 by Ordinance # 06-96

The twenty-first printing of the Manual of Fees was amended and revised by the City Council September 25, 2006 Ordinance # 07-14.

The twenty-second printing of the Manual of Fees was amended and revised by the City Council June XXX, 2007 Ordinance # 06-XX.

ADMINISTRATION

010-0000-340-10-00 BC Charter Bus Rates (1 hr. Minimum):

*City Tour Bus \$ 60.00/hr. Waiting Time \$ 30.00/hr.

19.67

*Note: City Tour Bus Guidelines

- 1. The rate charged is \$60 per hour with a \$30 per hour waiting time charge when the vehicles cannot return to the Public Works Department.
- 2. Please make your request in writing for use of the bus to the Public Works Department a minimum of two weeks in advance if possible. Include all the pertinent information in your request. You will be advised of the availability of the bus promptly.
- 3. The bus will be reserved on a "first come-first serve" basis.
- 4. The driver will be provided by the Public Works Department except as specified by the City Manager. (CDL Required)
- 5. Any damages occurring to the bus through the negligence of the passengers will be the responsibility of the individual requesting the vehicle.
- 6. The bus seats 25 passengers plus the driver. There are overhead compartments for storage.

Refuse Fee-Backvard

- 7. The City Manager may waive or reduce the hourly charter for City sponsored activities and actual costs will be absorbed by the City. If you are requesting that the \$60 per hour be waived or reduced, please submit your request in writing to the City Manager for his approval. Once approved by the City Manager, a copy will be forwarded to the Public Works Department. Specify that you are requesting **NOT** to pay the \$60 per hour for use of the bus. However, when the \$60 per hour is waived or reduced, other expenses such as fuel, driver's fee, etc. must be paid.
- 8. No overnight or out-of-state trips unless sponsored by the City of Greenville.
- 9. Call 329-4532 if you have questions or need further information.
