General Requirements, Questions & Clarifications:

1. Clarification regarding RFP 21-22-18 Addendum #1, Item #1: Hallways, common areas, stairwells and restrooms may be painted on consecutive work days, with wall hung items replaced on the 3rd work day due the recoat time required. Ideally, offices will be painted with 2 coats in one work day. Feasibility will be discussed further once work commences. All work areas must be cleaned and materials removed as not to interfere with Police or Fire/Rescue daily, normal business hours operations.
