

WINTERFEST AT WILDWOOD PARK

Run, Plunge, or Splash!

Saturday, January 22 • 9:00 AM

Take a run on the newest Recreation & Parks trails at Wildwood Park for a 5K trail run and then plunge like a polar bear into Wildwood Lake from the sandy beach! These two events will be part of *Winterfest at Wildwood Park* offered January 21–23, 2022.

Participants can purchase tickets for both the plunge and trail run together or choose one of the two activities. We will have time slots where 10 people every 10 minutes will take the plunge from the Wildwood Park beach area.

This is a ticketed event; the fee for the event will be a donation towards the Pitt County Special Olympics and will also include an entrance into the Polar Bear Plunge and/or 5K Trail Run, event long sleeve t-shirt, s'mores kit, and hot chocolate!
