Subject:	2021 Affirmative Action Program Annual Report

The City of Greenville is committed to the principles of equal employment opportunity, diversity, and inclusiveness. The attached 2021 Affirmative Action Program Annual Report details the status of the City's efforts to recruit, hire, and retain a diverse and inclusive workforce.

Many employers, including the City of Greenville, continued to face recruitment and retention challenges due to the ongoing coronavirus pandemic and the tight labor market in 2021. Faced with these unprecedented challenges, however, the City continued to take proactive steps to attract diverse and well-qualified applicants for positions in 2021. Compared to 2020, the City experienced a 63% increase in the number of new hires for full-time positions. Of those new hires, 42% were minorities and 25% were females.

As the attached 2021 Affirmative Action Program Annual Report indicates, nearly 25% of the applicants in 2021 were seeking employment opportunities within the Public Works Department, while a third of the applicants were seeking employment opportunities within the Fire/Rescue and Police Departments. These numbers are impressive given the supply and demand factor for talent in these critical City departments.

Ever cognizant of the talent that exists within the City's workforce, the City continued to develop employees for promotional opportunities. Compared to 2020, the City experienced a 53% increase in the number of promotions in 2021. Overall, 25% of promotions in 2021 were females and 33% were minorities. As examples, minority employees were promoted into positions such as Human Resources Manager, Assistant Streets Superintendent, and Assistant Recreation and Parks Superintendent; female employees were promoted into positions such as Fire/Rescue Officer II, Systems Analyst II, Facilities Maintenance Supervisor, and Recreation and Parks Superintendent. Continuing to nurture and develop talent is a priority for the City, with the City's inclusive training and development opportunities serving as the conduit.

The City strives to take diversity beyond the legal mandates and maintains an environment that is inclusive of all groups, thereby maximizing the potential of all employees. Thank you for your continued commitment and support of the City's Affirmative Action Program.

CITY OF GREENVILE 2021 AFFIRMATIVE ACTION PROGRAM **ANNUAL REPORT**

I. **INTRODUCTION**

The following report summarizes the various actions and activities undertaken to develop a workforce that reflects the diversity of the Greenville community labor force. In accordance with federal laws and City policy, the City of Greenville does not discriminate in its hiring procedures because of the individual applicant's race, color, religion, gender, age, national origin, disability, sexual orientation, genetic information, gender identity/reassignment or expression, military or veteran status, or marital status. The City declares and reaffirms to its employees and to the public its firm commitment to the policy of fair employment practices based on qualifications and merit. The purpose of this report is to evaluate past efforts and to establish future commitments to this program.

PROGRAM MONITORING III.

- A. In past years, workforce data analysis has identified efforts to increase the number of female and minority applicants in specific occupational fields such as engineering, information technology, and protective services where, historically, there has been a lack of diversity. The hiring of minorities and women in these fields continues to be challenging due to the highly competitive demand in the labor market. Additionally, occupations such as engineers, computer programmers, and firefighters have been nontraditional occupations for women. The U.S. Department of Labor defines a nontraditional occupation for women as one in which women comprise 25 percent or less of total employment. Nonetheless, the City will continue to make good faith efforts in recruiting and advertising to minorities and women to overcome barriers and increase the number of females and minorities in those specific occupational fields. Targeted recruitment efforts and an increase in the total applicant pool have been identified as a promising avenue to accomplish this goal.
- B. The following is a comparison of historical recruiting efforts. The number of applicants varies based on the number of openings and number of recruitment cycles per year.

						<u>0-11-70</u>
	2017	2018	<u>2019</u>	<u>2020</u>	<u>2021</u>	<u>Change</u>

- C. The attached Workforce/Applicant Analysis provides workforce composition and applicant data by department. The attached charts in Appendix B provide workforce composition data graphically and the breakdown of applicants, new hires, and promotions for the past two years.
- D. Appendix A, Analysis of EEO Job Categories, details the numbers and percentages of minorities and women in the eight EEO job categories, determined by the Equal Employment Opportunity Commission. All City of Greenville job titles are placed into one of these categories.

IV. **ONGOING EFFORTS**

- A. The following initiatives have been carried forth from the previous program:
 - 1. Continue recruiting activities at colleges and universities in North Carolina with a significant minority enrollment. The Police and Fire/Rescue Departments visited several college BLET classes with an internal pool of employees attending various recruiting functions.
 - 2. Continue to solicit the assistance of minority and female employees in the recruitment and selection process. For example, the Human Resources Department continues to provide interviewer training to diverse interview panels in all of the City's departments. The training emphasizes effective and legal interviewing techniques. After completion of the interviewer training, employees serve on various interview panels for the City's hiring and promotion processes.
 - 3. Continually analyze recruitment materials such as vacancy announcements to ensure alignment with job descriptions and that job requirements are set at the minimum level needed for hire.

- 4. Continue to utilize recruitment sources targeting minorities and females.
- 5. Evaluate photographic images of City work sites and programs to ensure they are consistent with workforce diversity efforts.
- 6. Review and continue to monitor the selection process for discriminatory biases or practices, whether unintentional or intentional.
- 7. Continue to provide equal opportunity to all employees for training, promotion, and special assignments.
- 8. Continue to ensure that each advertisement of a vacant position states in clear, distinguishable type that the City of Greenville is an equal opportunity/affirmative action employer.

V. ACCOMPLISHMENTS 2021

- A. An analysis of the 2021 applicant pool shows the following:
 - Compared to 2020, the City experienced a 29% increase in the total number of applicants for 2021. The number of applicants increased from 3,437 in 2020 to 4,425 in 2021. The hiring freeze imposed in 2020 due to COVID-19 was lifted and the majority of departments resumed hiring in 2021, contributing to the increase in the number of applicants. Despite the pandemic and the tight labor market, the City continued to demonstrate a positive trend in its ability to attract qualified, diverse applicants.

The combined recruitments of the City's three largest departments—Police, Fire/Rescue, and Public Works—accounted for the majority of the applicant pool in 2021. The 58% applicant allocation is broken down as follows: 25% for the Public Works Department, 18% for the Fire/Rescue Department, and 15% for the Police Department.

The Public Works Department recruited for various positions in 2021, with many of the positions within the skilled craft workers job category which includes Construction Worker, Heavy Equipment Operator, Master Mechanic, and Sanitation Crew Leader I. Given the robust labor market and the demand for skilled craft workers, the City was able to attract and hire qualified individuals for these difficult-to-fill positions. Of the applicants who self-identified in 2021, 62% of the applicants for positions within the Public Works Department were minorities and 23% were female.

The Police Department recruited for civilian positions such as Telecommunicator and Property and Evidence Technician and for both certified and trainee police officers, with 57% of the applicants identifying as minorities and 43% identifying as females. The Police Department continued to attract a diverse group of applicants for sworn and civilian positions, although it is becoming increasingly difficult to attract certified police officers.

The Fire/Rescue Department recruited cadets to fill two academies in 2021. Overall, 45% of applicants for positions within the Fire/Rescue Department were minorities and 52% were female. Other City departments such as Engineering, Human Resources, and Recreation and Parks also recruited for positions during 2021 that attracted diverse applicants. Approaches to recruitment for 2021 continued to appeal to a diverse audience, attracting minority and female applicants.

2. The number of black applicants decreased slightly, from 50% in 2020 to 45% in 2021. Non-Black minority applicants held steady at 7% in 2021. The number of female applicants decreased by only 1%, from 42% in 2020 to 41% in 2021. Although the percentages indicate slight decreases for black and female applicants, the decrease is minimal given the dramatic changes in the labor market that occurred during 2021. The City maintains a continuous focus on increasing diversity in the applicant pools of recruitments. For example, the Police and Fire/Rescue Departments utilize minority and female employees to serve as recruiters. Sharing their work experiences with prospective applicants, these employees engage in open and honest communication regarding a career in public safety.

- 3. In summary, the City continued to attract a well-qualified and diverse applicant pool in 2021. Of the 4,425 applicants for full-time positions, 45% were Black, 7% were non-Black minorities, and 41% were female. These percentages are reflective of the diversity within the Pitt County labor force which consists of approximately 35% Blacks, 10% non-Black minorities, and 50% females, according to the 2020 US Census. The City will continue to expand its efforts to attract a diverse applicant pool by utilizing various recruitment options available for vacant positions.
- B. One hundred and three (103) full-time employees were hired in 2021, compared to 63 full-time employees in 2020. Overall, 25% of new hires were females in 2021, unchanged from 2020. In total, 42% of new hires in 2021 were minorities compared to 48% of new hires in 2020. A breakdown of new hires by race and gender is shown below.

	White	White	Black	Black	Non-Black	Non-Black
	<u>male</u>	<u>female</u>	<u>male</u>	<u>female</u>	Minority	Minority
2021 2020	44 (43%) 21 (33%)	16 (15%) 12 (19%)	28 (27%) 19 (30%)	8 (8%) 4 (6%)	<u>male</u> 5 (5%) 7 (11%)	<u>female</u> 2 (2%) 0 (0%)

C. Seventy-two (72) full-time employees (approximately 10% of the full-time workforce) were promoted in 2021, compared to 47 full-time employees in 2020. Overall, 26% of promotions in 2021 were females and 33% were minorities, with the breakdown by race and gender as follows:

2021 2020	White <u>male</u> 39 (54%) 20 (43%)	White <u>female</u> 9 (13%) 4 (9%)	Black <u>male</u> 14 (19%) 16 (34%)	Black <u>female</u> 9 (13%) 6 (13%)	Non-Black Minority <u>male</u> 0 (0%) 1 (2%)	Non-Black Minority <u>female</u> 1 (1%) 0 (0%)
--------------	--	---	--	--	--	--

- D. Retention of a diverse workforce is also a focus of this report. In 2021, the City had a total of 96 full-time employee separations (approximately 13% of the full-time workforce). Of these, 19% (18) were due to retirement and 7% (7) were due to discharge, disability, or death. Resignations made up the remainder of the separations, accounting for 74% (71). Females accounted for 24% (23) of the overall separations and 35% (34) were minorities.
- E. City departments continue to employ interns from colleges and universities in North Carolina. Internships provide students with professional work experience and exposure to employment with the City.
- F. Departmental Accomplishments:

City Attorney's Office:

 A black female was hired as an Assistant City Attorney and a white female was hired as Senior Administrative Assistant.

City Clerk's Office:

• A black female was hired as Administrative Assistant.

City Manager's Office:

The City Manager's Office employs a holistic approach to fostering and supporting a diverse workforce and community. Those efforts continued to be challenged in 2021 by the COVID-19 pandemic, which curtailed some activities that would normally be undertaken. The following activities occurred in 2021:

- A. Ensured position vacancies were posted internally/externally through appropriate means and for periods sufficiently long enough to provide traditionally under-represented job applicants a greater opportunity to seek employment with the City.
- B. Reviewed vacant positions, recruitment and retention strategies, hiring practices, and onboarding processes to determine effectiveness and opportunities for improvement.
- C. Continued employee performance review process.
- D. Promoted workforce diversity through the appointment of project teams to ensure leadership opportunities were available to employees in all departments. Examples in 2021 included the Personnel Advisory Review Committee, the City of Greenville United Way Campaign Committee, the Joint City/GUC Wellness Committee, and the MLK Day of Service Committee.
- E. Promoted employee development and retention internally through the following means:
 - 1. Met with new employees during orientation.
 - 2. Continued to have an "open-door policy" and met with employees to discuss issues of interest and/or concern.
 - 3. Provided guidance, job tools/resources, and appropriate workspaces (relocating employees when feasible) to strengthen work teams and improve job performance.
 - 4. Selected employees from various departments to attend the Greenville-Pitt County Chamber of Commerce Leadership Institute.
 - 5. Supported the City's in-house training program.
 - 6. Included budgetary funds to allow staff to attend outside professional training and conferences.
 - 7. Provided budgetary funds for the employee Educational Tuition Assistance Program and the Computer Purchase Program.
 - Posted information on COGNET, an internal City computer network communications tool, to enable more convenient access to information about City policies, procedures, and resources.
 - 9. Held three Department/Division Heads meetings during the year to discuss various issues affecting the City organization and employees.
 - 10. Provided free bus passes to employees to help with transportation issues.
 - 11. Continued to expand the Employee Health Clinic, which employees may utilize for illness, injury, biometric screenings, flu shots, and other services while on duty, which reduces time spent away from work and the costs to employees and the City.
 - 12. Provided a variety of employee wellness programs and initiatives to educate them and encourage them to exercise and take steps to be healthy.
 - 13. Attended Fire/Rescue Academy Graduation on July 21st.
- F. Promoted employee recognition through the following:
 - 1. Attended employee service and retirement recognition events.
 - 2. Recognized new hires, promotions, retirements, and achievements at Department/Division Head meetings and in *Insight* employee newsletters.
 - 3. Recognized various employee achievements and retiring employees at City Council meetings.

- 4. Provided staff and equipment resources to produce high-quality photos and videos of City employees carrying out their duties and providing services to the community.
- 5. Coordinated an appreciation lunch for the Employee Health Clinic staff on Nurses Day (May 6).
- 6. Continued funding for the Attendance Incentive Program.
- G. Continued exposing college students to the work of and opportunities with the City of Greenville through the following:
 - Offered summer internships to college students to give them exposure to and real experience working in a local government environment. In 2021, materials were sent to ten (10) colleges/universities in North Carolina with MPA programs, and the City Manager's Office brought four (4) interns on board – two (2) MPA graduate students, one (1) MSA graduate student, and one (1) undergraduate student. They consisted of one (1) black female, one (1) white female, and two (2) white males. The interns worked on assignments and with staff in various departments, including Engineering, Financial Services, Fire/Rescue, Planning and Development Services, and the City Manager's Office and City Clerk's Office.
 - Sponsored "The Intern Experience" program coordinated by the Chamber of Commerce, which is designed to engage college interns with different facets of the community, get plugged in with the City as young professionals, and build a network here which will encourage them to stay after graduation
 - Worked with the Engineering staff and Environmental Advisory Commission members to craft and submit a successful application to Duke University, which has resulted in two (2) graduate students working on an environmental project with the City of Greenville.
- H. Participated in the Chamber of Commerce's Grow Local program for middle and high school students, exposing student participants to specific careers, companies, and industries. Information on the City organization, departments, events, services, and job opportunities was provided.
- I. Continued efforts with Pitt Community College, East Carolina University, the Lucille W. Gorham Inter-generational Community Center, and others on workforce development initiatives. The City contributed \$20,000 and various surplus vehicles/equipment to the workforce development initiative at Pitt Community College.
- J. Continued coordinating with Greenville Utilities Commission on pay and benefits issues to assist in attracting, fairly compensating, and retaining a quality and diverse workforce.
- K. Continued conducting job interviews by Skype, which is more cost-effective and efficient and allows staff to include more candidates to interview.
- L. Developed cablecast programming on the City of Greenville's government access channel, GTV-9, which promotes diversity and fosters an inclusive community.
- M. Continued providing funding for Greenville Public Access Television (GPAT), which provides an inclusive opportunity for all citizens and groups to develop programming for broadcast through a local cable TV channel.
- N. Provided funding for the Small Business Plan Competition and small business support through the MWBE program; also allocated American Rescue Plan funds for assistance to small businesses and non-profits.
- O. Provided economic development incentives through Job Creation Grants to assist local businesses with locating and/or expanding in our area to create additional jobs for our community.

- P. Used various methods, including social media, "City Beat" radio show, and advertising in *The Daily Reflector* and *The East Carolinian* and on local radio stations, to a recruit diverse pool of applicants for the City's boards and commissions and promote City events.
- Q. Participated in the Community Unity Breakfast on Martin Luther King, Jr. Day (City was a sponsor of this event), which promoted diversity and inclusiveness.
- R. Continued funding for and led planning efforts for Greenville Grooves (African-American music festival), which is evolving into a Juneteenth celebration; 2021 saw the addition of MWBE events on Saturday, June 19. Additionally, City Council added Juneteenth as a holiday for City employees.
- S. Continued efforts for utilization of the Lucille W. Gorham Intergenerational Center in West Greenville by working with the Boys and Girls Club, the HYPE Team, the Pitt County Council on Aging, and American Legion Post 160
- T. The City Manager continued serving on the ECU MPA Advisory Board and met with MPA students when requested.
- U. The City Manager, Deputy City Manager, and Assistant City Manager serve on various other boards and help foster fairness and inclusiveness in their work: Greenville Eastern North Carolina Alliance, Greenville Utilities Commission, North Carolina Water Treatment Facility Operators Certifications Board, Greenville-Pitt County Chamber of Commerce, United Way of Pitt County, Partnership for Progress, Pitt County Arts Council, and Uptown Greenville
- V. Worked with other City representatives to evaluate professional services contracts to ensure vendors support the City's Affirmative Action Program (i.e., bank depository services, business application needs, software assessments).

Engineering:

- Two black males were promoted to fill the skilled position of Equipment Operator, one black male was promoted to Traffic Control Worker, and a white female was promoted to the role of Senior Administrative Assistant.
- Participated in the City's Employee Tuition Assistance Program, thereby affording employees the opportunity to further their education and qualify for positions which may require higher levels of education.
- Partnered with Human Resources to ensure job postings were advertised in a variety of sources to attract a diverse pool of applicants.
- Continued to participate in courses and workshops to aid employees with maintaining certifications and professional licenses.

Financial Services:

- Hired a white female as a Buyer I; promoted a black female to the Buyer II position.
 - The Purchasing Division's MWBE Program launched the new Incubate to Accelerate program. The initiative promotes business growth and expansion strategy designed to provide a number of resources to small and micro businesses in the Greenville area.

Revolving Loan Fund: MWBE provided \$50,000 in financial assistance through the Revolving Loan Fund.

Shared Kitchen Space: The MWBE set up a shared kitchen space in the West Greenville area which is a revitalization district in the city.

Small Business Co-Op Space: The MWBE Program welcomed its first tenant in the Co-Op Space located in the heart of downtown Greenville.

 Juneteenth Celebration: On June 19th, the MWBE Program hosted a cultural celebration and open house to showcase the Incubate to Accelerate resources. A food truck rally was held in support of MWBE entrepreneurs located in West Greenville which consists of a majorityminority population within the city.

 MED Week: The MWBE hosted its annual MED Week Celebration from September 20th through September 26th. With the theme, "Putting our Words to Work", event and activities were held throughout the week to recognize the outstanding contributions of MWBE firms.

Fire/Rescue:

- Hired 35 Fire/Rescue Trainees. Fire/Rescue Trainees attend an academy whereby they
 receive the academic and physical training required for transition into a certified Fire/Rescue
 position. Of those hired, 4 (11%) were females (1 black, 1 Hispanic, and 2 white), 13 (37%)
 were black males, and 18 (51%) were white males.
- Hired a female Paramedic and a female to serve as the department's Life Safety Educator.
- Promoted 2 females to the rank of Fire/Rescue Officer II.
- Promoted 4 black males to the rank of EMS Specialist.
- Partnered with the Salvation Army as well as other Pitt County agencies to deliver toys and food items to needy community members through Operation Santa Claus. Efforts for 2021 resulted in receiving donations in excess of \$70,000, which was turned over to the Pitt County Salvation Army to support outreach for families in Greenville and Pitt County.
- Attended the City of Greenville Holiday Luncheon Drive-Thru at Drew Steele Center.
- Coordinated the annual United Way Chili Cook-off at Fire/Rescue Station 1 and raised over \$4,800 to support inclusive community organizations throughout Pitt County.
- Continued the implementation of EMS Squad Leader positions to recognize EMS Specialists in leadership roles and serve as a career ladder.
- Participated in the Intergenerational Community Center Family Day and spoke to approximately 120 participants regarding fire safety and other fire/rescue related topics.
- Participated in National Night Out activities/festivities throughout the City. Although National Night Out was created to increase awareness about police programs in communities, National Night Out allows Fire/Rescue personnel to interact with citizens and spotlight firefighting and emergency medical services as potential career choices.
- Continued to support promoting a diverse workforce through various means, including through the work of a dedicated Recruitment and Retention Officer. Through this position, the department is able to provide greater outreach to the community and to seek out opportunities to recruit minorities for Fire/Rescue positions.
- Sponsored the 8th annual Jr. Fire Marshal Academy which included numerous minority participants and provided participants and their families the opportunity to learn about careers in the fire and EMS industry as well as providing an opportunity for department members to interact with minority populations within the community. The Academy was held virtually in 2020 due to COVID-19; however; participation was not impacted.
- The F/R Department has 26 current officers who have participated in the City's Supervisory Training and Refresher (STAR) program. This program consists of multiple classes completed over several months and includes training related to inclusiveness and equal employment opportunity practices. Additionally, in December 2021, 7 newly promoted supervisors registered to attend STAR training in early 2022.
- Sponsored leadership staff to attend the Greenville-Pitt County Chamber of Commerce Leadership Institute. This program connects many different business leaders throughout the community and promotes diversity, inclusiveness, and giving back to our community.
- Partnered in a fund drive sponsored by Inner Banks Media and Great Harvest Bread Company where all proceeds were donated to The Salvation Army to support numerous needy families in our community. This event was held in support of the annual Operation Santa Claus event and the Salvation Army of Pitt County. Due to the extreme generosity of our community, over \$60,000 was raised for several community-based outreach endeavors.

Human Resources:

 Promoted an American Indian male to HR Manager and a Hispanic female to HR Specialist III.

- Hired a black female to serve as the City's Training and Development Specialist and a Hispanic female in the role of Staff Support Specialist III.
- Coordinated training related to diversity, equity, and inclusion for all full-time employees to better understand and respect the perspectives and differences of all their team members. Supervisors and managers completed additional training titled "Respect and Responsibility in the Workplace".
- Required mandatory training for all new hires related to unlawful workplace harassment and workplace violence prevention.
- Provided training on Equal Employment Opportunity and effective interviewing practices to employees who may serve on an interview panel as an assessor. In accordance with the City's personnel policies, all individuals must receive this training before serving as an assessor on an interview panel to ensure that the City's Equal Employment Opportunity practices are followed, and that selection processes are free from discriminatory biases or practices whether unintentional or intentional.
- Assisted all City departments with various recruitment and selection processes.
- Partnered with the Recreation and Parks Department to utilize billboard advertising to reach a larger and more diverse prospective applicant pool.
- HR Director collaborated monthly with Vidant Health management resulting in expansion of the services and staffing of the employee health clinic.
- Posted all job openings—full-time, part-time, and seasonal—on the City's website and governmentjobs.com to reach a larger audience, including media sources that reach minorities and women to ensure that prospective applicants are informed of employment opportunities with the City of Greenville and have an opportunity to apply.
- Worked with departments to develop selection criteria that do not discriminate or screen out women, minorities, and other protected class applicants.
- Made job descriptions available to applicants and to all involved in the screening and selection processes.
- Placed job opportunities advertisement, when appropriate, in minority news media and women's interest media.
- Posted promotional opportunities for employees before considering external candidates, when appropriate.
- Posted job vacancies for a minimum of two weeks. When appropriate, job vacancies were
 posted for longer periods to allow sufficient time to establish a qualified and diverse applicant
 pool.
- Assisted in recommending panel members for interview panels and provided technical assistance on interviewing and selection.
- Provided training on the City's performance management system. The performance management system is designed to ensure the accurate and consistent evaluation of employee performance throughout the organization and to identify specific employee development goals.
- Provided customer service training with an emphasis on respectful treatment of all customers. Provided department-specific training and training on a variety of other topics such as defeating unconscious bias, communicating effectively, and trust.
- Training and Development Specialist provided and/or coordinated training for STAR participants on a variety of leadership topics including, but not limited to, effective supervision, defeating unconscious bias, ethics, employment law, and performance management.
- Expanded safety training to include an extended orientation for new employees to ensure workplace safety.
- Assisted City departments with promotional processes.
- Provided reasonable accommodation to job applicants and employees with disabilities when requested and appropriate.
- Recommended recruitment sources and strategies to departments to ensure that the widest
 possible range of applicants are informed of available positions and encouraged to apply.

- In observance of National Employee Appreciation Day on March 5, 2021, coordinated an employee appreciation event to show appreciation and gratitude for employees' contributions.
- Communicated information regarding the City's educational tuition assistance and computer purchase programs and encouraged employees to take advantage of the valuable benefits.
- The Safety/Risk Manager, who also serves as the City's ADA Coordinator, worked collaboratively with City departments to help ensure accessibility to City facilities and infrastructure.
- Participated in the MWBE Mix-n-Meet program.
- Participated in the Street Summit Job Fair held at J.H. Rose High School that brought employers and job seekers together regarding a wide array of employment opportunities.
- Participated in the "Better Skills, Better Jobs Fair 2021" held at the Greenville Convention Center which was open to soon-to-be high school graduates and the general public. HR and Police Department representatives spoke to many interested individuals. A black male and black female who attended the job fair were later offer employment as a Police Officer Trainee and a Telecommunicator, respectively.
- The HR Director met with Tradesformers representatives regarding the youth apprenticeship program. The goal of Tradesformers is to provide opportunities for training so that the future workforce will be well-equipped with the skills to grow a successful career.

Information Technology:

- Promoted a black female from Systems Analyst I to Systems Analyst II.
- Partnered with East Carolina University and Pitt Community College to recruit interns to work within the IT Department Support Group. Interns assist the City's help desk staff by answering phone calls, troubleshooting problems, and following up with submitted service tickets. The internship program prepares students for full-time positions in the Information Technology field.
- IT staff took over 20 training opportunities, both internal and external, throughout the year.

Planning and Development Services:

Appendix A: Analysis of EEO Job Categories For Calendar Year 2021

The following eight job categories have been established by the Equal Employment Opportunity Commission (EEOC) and are used by the City of Greenville. All City of Greenville job titles are placed into one of these categories.

1. Officials and Administrators

This group is of particular importance in affirmative action planning in that these employees exercise overall responsibility for execution of broad policies or direct individual departments or special phases of the City's operations. Positions in this category include City Manager, Deputy and Assistant City Manager, City Attorney, City Clerk, and department heads. Persons in this category are generally at the upper end of the pay classification system. At the end of calendar year 2021, Officials and Administrators made up approximately 2% (13) of the City's 726 full-time employees. Females held 31% (4) of this category's positions and minorities held 38% (5) of the positions.

2. Professionals

Employees in this category are required to have specialized and theoretical knowledge which is usually acquired through college training or through work experience and other training which provides comparable knowledge. This category includes a variety of professions, such as systems analysts, engineers, Police Captains, and Fire/Rescue Captains. Professionals comprised approximately 11% (78) of the City's full-time employees. Females held 25 (32%) of all professional positions, while minorities held 18 (23%) of the positions.

3. Technicians

Employees in this category are required to have a combination of basic scientific or technical knowledge and manual skills which can be obtained through specialized post-secondary school education or through equivalent on-the-job training. Police Sergeants, Fire/Rescue Lieutenants, and Building Inspectors are among the occupations in this category. At the end of calendar year 2021, approximately 22% (159) of the City's workforce was classified as Technicians. Minorities comprised 37 (23%) of the positions held and 21 (13%) were female.

4. Protective Service Workers

Protective service workers accounted for the largest occupational category of employees, representing approximately 35% (251) of the City's full-time workforce. Employees in this category are entrusted with public safety, security, and protection from destructive forces. Police and Fire/Rescue Officers are among the occupations in this category. At the end of 2021, females comprised 41 (16%) of the positions while minorities held 79 (31%) of the positions.

5. Paraprofessionals

Employees in this category perform some of the duties of a professional or technician in a supportive role, which usually require less formal training and/or experience normally required for professional or technical status. Examples of paraprofessional positions include Recreation and Parks program assistants. There were 39 (5%) paraprofessionals at the end of 2021, of which 23 (59%) were female and 13 (33%) were minorities.

6. Administrative Support

This category consists of employees responsible for internal and external communication, recording and retrieval of data and/or information and other paperwork required in an office. Included in this category are Staff Support Specialists, Administrative Assistants, Telecommunicators, and Communications Technicians. Administrative support employees accounted for 60 (8%) of the total workforce in 2021. Females comprised 53 (88%) of the administrative support positions while minorities comprised 21 (35%).

7. Skilled Craft Workers

Skilled craft workers perform jobs which require special manual skill and a thorough and comprehensive knowledge of the processes involved in the work which is acquired through on-thejob training and experience or through apprenticeship or other formal training programs. Included in this occupational category are skilled Equipment Operators, Master Mechanics, and Welders. Of the 62 (9%) skilled craft workers at the end of 2021, minorities held 38 (61%) positions while females comprised 1 (1%).

8. Service-Maintenance

Included in the Service-Maintenance category are positions such as Animal Protective Services Officers, Custodians, Laborers, Refuse Collectors, and Transit Drivers. These and other service-maintenance workers perform duties which result in or contribute to the comfort, convenience, hygiene, or safety of the general public or which contribute to the upkeep and care of buildings, facilities, or grounds of public property. There were 64 (9%) employees in this category at the end of 2021. Seven (11%) of this category were female and 43 (67%) were minorities.
