Calls for Service/Detail

During the month of May, there were 61 total calls for service that triggered Mobile Crisis notification. Of those 61 calls to the police department, Mobile Crisis responded to 40 of them. Of those 40, 26 were deemed inappropriate due to the individual being transported by EMS, 5 individuals declined Mobile Crisis services, and 9 individuals were linked to services. Only three of the locations we responded to during May required more than one response.

Monthly Highlights of Service Calls

- Mobile Crisis was called to respond to the scene of a male who appeared to have a mental status change. Follow up was conducted with the individual served and he was linked to mental health services.
- Mobile Crisis was called to respond to a female experiencing suicidal ideations. Follow up was conducted with the individual served and she was linked to individual therapy.
- Mobile Crisis was called to respond to a female experiencing suicidal ideations without a plan. Follow up was conducted with the individual served and she was linked to individual therapy.

The Greenville Police Department exists to enhance public safety and quality of life, in partnership with all people in our community, by preventing crime with honor and integrity.
