God Bless America

By Irving Berlin

While the storm clouds gather
Far across the sea
Let us swear allegiance
To a land that's free

Let us all be grateful
for a land so fair
As we raise our voices
In solemn Prayer

God bless America, land that I love
Stand beside her and guide her
Through the night with the light from above

From the mountains to the prairies
To the oceans white with foam
God bless America
my home sweet home

God Bless America
My home sweet home
