AUGUST 19

Bug Hunt *at River Park North*

Approximately 80% of all animals on the earth are insects, and despite their small size they play a big role at River Park North. We will examine our collection under the microscope in our L.A.S.T. STEAM lab upon our return to the nature center. Preregistration is required.

153002.01 Saturday August 19 9:00 AM–10:30 AM

Fee: \$7; Discounted Greenville Resident: \$5.
