# 1 INTRODUCTION

## 1.1 **Purpose**

The City of Greenville (COG) is soliciting proposals from qualified consulting firms wishing to serve as Underwriter in connection with COG's American Rescue Plan Act (ARPA) Small Business Assistance Grant Program. The deadline for local businesses to submit applications for this grant was December 20 2023, at 11:59 pm. The City of Greenville is looking to procure an outside consultant to effectively evaluate and assess each applicant's financial and credit profile, identify potential risk areas and produce an underwriting memo for each applicant.

The American Rescue Plan Act (ARPA) delivered \$24.7 million in local fiscal recovery funding to the City of Greenville as an infusion of federal resources to address the economic impact of COVID-19 on the community. Per federal guidance, the money can be used locally for supporting public health response, replacing City revenue loss, addressing negative economic impacts, premium pay for City workers, water and sewer infrastructure, or broadband infrastructure.

Local fiscal recovery dollars are considered to address the negative impact of COVID-19 and support public health response when expended within a Qualified Census Tract (QCT), an area where 50 percent or more of households are at an income level less than 60 percent of the area's gross median income.

The Council voted unanimously in favor of moving forward with the American Rescue Plan Act (ARPA) program that will assist small businesses in development, growth, and continued recovery from the COVID-19 pandemic. There are \$400,000 of City of Greenville ARPA funds appropriated for the program with as much as \$50,000 to be awarded to each selected small business that meets certain requirements.

The small business assistance program is designed to provide support for startup businesses and existing businesses that were disproportionately impacted by the pandemic. Potential assistance could cover building rehabilitations, up-fits or expansions, facade improvements or the purchase of equipment among other costs.

To qualify for the assistance, a business must be within the city limits and located in a qualified census tract as identified by the U.S. Department of Housing and Urban Development (HUD). Additionally, the business must be independently owned and operated with five or fewer locations and 100 or fewer employees. Business gross sales must not exceed \$5 million. The City has also established a scoring system to rank applicants based on financial document reviews, budget projections, previous assistance, and credit and background checks.

All information related to this solicitation, will be posted on the City of Greenville's Website: <https://www.greenvillenc.gov/government/financial-services/current-bid-opportunities>

# City of Greenville/Greenville Utilities Commission Minority and Women Business Enterprise Program

## MWBE Guidelines for Professional Service Contracts \$10,000 and above

### Policy Statement

It is the policy of the City of Greenville and Greenville Utilities Commission to provide minorities and women equal opportunity for participating in all aspects of the City's and Utilities' contracting and procurement programs, including but not limited to, construction projects, supplies and materials purchases, and professional and personal service contracts.

### Goals and Good Faith Efforts

Service providers responding to this solicitation shall comply with the MWBE program by making Good Faith Efforts to achieve the following aspirational goals for participation.

	CITY	
	MBE	WBE
Professional Services	4%	4%

Submitters shall submit MWBE information with their submissions on the forms provided. This information will be subject to verification by the City prior to contract award. **As of July 1, 2009, contractors, subcontractors, suppliers, service providers, or MWBE members of joint ventures intended to satisfy City MWBE goals shall be certified by the NC Office of Historically Underutilized Businesses (NC HUB) only.** Firms qualifying as "WBE" for the City's goals must be designated as a "women-owned business" by the HUB Office. Firms qualifying as "MBE" for the City's goals must be certified in one of the other categories (i.e.: Black, Hispanic, Asian American, American Indian, Disabled, or Socially and Economically Disadvantaged). According to new Statewide Uniform Certification (SWUC) Guidelines, ethnicity supersedes gender; therefore, firms who are certified as both a "WBE" and "MBE" will satisfy the "MBE" category only. **Each goal must be met separately. Exceeding one goal does not satisfy requirements for the other.**

The City shall accept NCDOT certified firms on federally funded projects only.

Please note: A service provider may utilize any firm desired. However, for participation purposes, all MWBE firms who wish to do business *as a minority* must be certified by NC HUB. A complete database of NC HUB certified firms may be found at <http://www.doa.nc.gov/hub/>

## Instructions

The submitter shall provide the following forms:

☐ FORM 1—Sub-Service Provider Utilization Plan

This form provides the amount of sub-contracted work proposed on the project for MWBE. This proposed participation is based on the current scope of work. Submitter must turn in this form with submission. If the submitter does not customarily subcontract elements of this type of project, do not complete this form. Instead complete FORM 2.

☐ FORM 2--Statement of Intent to Perform work without Sub-Service Providers

This form provides that the submitter does not customarily subcontract work on this type of project.

☐ Sub-Service Provider Utilization Commitment

Submitted by the selected service provider after negotiation of the contract and prior to Award, this form lists the MWBE firms committed to participate on the project. This commitment will reflect any changes in the Plan due to adjustments in project scope.

NOTE: A firm is expected to maintain the level of participation proposed in FORM 1 – Sub-Service Provider Utilization Plan – unless there is a negotiated change in the service required by the City. A firm is also encouraged to increase MWBE participation in the Utilization Commitment as a result of ongoing Good Faith Efforts.

☐ Proof of Payment Certification

Submitted by the selected service provider with each payment application, listing payments made to subconsultants. This form is not provided with the submission.

*In addition to the forms provided above, each service provider must provide a discussion of its diverse business policies and procedures to include the good faith efforts it employed to utilize minority and women-owned firms on this project. This discussion must include:*

- 1. Outreach efforts that were employed by the firm to maximize the utilization of MWBE's.*
- 2. A history of MWBE firms used on similar projects; and*
- 3. The percentage participation of MWBE firms on these projects.*

*NOTE: Those service providers submitting FORM 2 should discuss and provide documentation to justify 100% performance without the use of subconsultants (both majority and minority) per the statements of the form.*

Minimum Compliance Requirements: All written statements, signed forms, or intentions made by the Submitter shall become a part of the agreement between the Submitter and the City for performance of contracts. Failure to comply with any of these statements, signed forms, or intentions or with the minority business guidelines shall constitute a breach of the contract. A finding by the City that any information submitted (either prior to award of the contract or during the performance of the contract) is inaccurate, false, or incomplete, shall also constitute a breach of the contract. Any such breach may result in termination of the contract in accordance with the termination provisions contained in the contract. It shall be solely at the option of the City whether to terminate the contract for breach or not. In determining whether a Submitter has made Good Faith Efforts, the City will evaluate all efforts made by the Submitter and will determine compliance in regard to quantity, intensity, and results of these efforts.
