Riding the Bus

The bus will stop at designated bus stops along each route. When the bus approaches, check the route number above the windshield to make sure you have the right bus. For safety reasons, passengers may only get on or off at designated bus stops. As you board, please have exact change or your fare pass or ticket ready. To notify the driver that you want to get off, pull the cord above the passenger windows. The bus driver will stop at the next stop along the route. If you have questions about reaching your destination, please call a customer service representative at the number and times listed above. At all other times, please ask the driver.

Schedules

The schedules for all six (6) routes are shown above. Monday through Friday, the buses operate the entire schedule that is shown. On Saturday, the buses operate only the portion of the schedule that is highlighted.

The locations labeled A, B, C, D, E, F, G, and H on the schedules and on the map on the reverse side are called "Time Points." Once you have decided where you will be getting on the bus, please use these time points in deciding when you should be at the bus stop. We recommend being there about five (5) minutes before the bus is scheduled to come by. This will minimize the chance of missing the bus and having to wait until the next one comes by.

How to Pay

Exact fare is required. Please insert all cash into the top of the farebox so that the driver can determine that the proper amount has been paid. If you are using an unlimited ride day pass, please present it to the driver so that the driver can determine if it is valid. If you are using a punch pass, please present it to the driver so that the driver can punch out one of the remaining trip punches. If paying with a single ride ticket of any kind, please give it to the driver.

Discount Fare

The discount fare is equal to one-half the regular fare. Persons 65 years of age and older and persons with a disability are eligible for the discount fare. To obtain the discount fare, passengers must present to the driver at the time of boarding either a GREAT discount fare photo ID or a Medicare card. To obtain the GREAT discount fare photo ID or for more information, please call us at the GREAT office.
