Providing & Paying for Additional Parking.....	6-2
Providing General Public Transit Service.....	6-3
Improving Service Co-ordination.....	6-4
GUIDELINES.....	6-4
General public service should be available to all residents.....	6-4
The level of general public service should be increased.....	6-4
No separate exclusive transit service to area of general interest	6-5
Separate exclusive transit service where sufficient demand exist	6-5
Service connections should be provided among the systems.....	6-5
High quality transit service should be provided.....	6-6
An integrated attractive fare system should be established.....	6-6
Organizational structure should reinforce the service provided... ..	6-6
Funding and staffing levels should be sufficient to meet the needs	6-6
Federal and state funding sources should be fully used.....	6-7
PHASE I: SHORT TERM.....	6-7
Create a transit working group.....	6-7
Open the PATS service to the General Public	6-8
Convert the ECU Red and Blue routes to General Public	6-8
ECU and PCMH continue operating their exclusive services.....	6-9
Develop a vehicle procurement plan.....	6-9
Revise the fare structure.....	6-10
Maximize the use of federal and state transit funds.....	6-10
Create a new transit authority under existing legislation.....	6-11
PHASE II: LONG TERM.....	6-11
Review authority enabling legislation.....	6-11
Expand Authority Membership.....	6-11
Continue service expansion.....	6-12
Continue capital enhancement program.....	6-12
